Academy Sports

The Northside Academy Sporting Programs aim to give students an opportunity to represent the College at in higher Sporting Competitions. Trials for these Academies will commence throughout the year for the following sports:

Basketball, Football, Netball, Touch, Volleyball

Please note: Football includes Field Soccer & Futsal

Each respective academy will have a Head of Program who will conduct all trials and training sessions throughout the year.

Successfully selected students will make the Academy Squad. This will enable them to be selected to representative competitions (e.g. BOSL) throughout the school year. This does not guarantee their selection in a team but enables students to have the chance at representing the College at sporting competitions.

Students may trial for more than one Academy. Please view the “*Northside Knights Sporting Selection Policy & Player of the Year Eligibility Criteria*” for more information regarding this topic and for requirements on being selected into an Academy.

Those that are unsuccessful at making the Academy will still participate in *Year Level Sport*. Students may re-trial for the Academy throughout the year when opportunities become available. This will be up to discretion of the Sports Coordinator or Head of Program.

Northside Christian College - Representative Teams Sports Competitions 2026 (as of 12 Nov 2025)

Year Level Sport

Students who are not selected into the Academy Programs or who do not wish to participate in the Academy's will have the opportunity to play Year Level Sport. Students will compete in NISSA, an interschool-based competition against other Schools in the Brisbane area. The competition is split into 2 seasons from Term one through to Term 3 with **four** different sports being made available to students in both seasons.

For students who are unsuccessful in being selected in Academy Sports, they can still be selected for the academy later in the year if they display good performances and attitudes at Year Level Sporting Events.

In Term 4 students will be able to select from multiple different Social Sporting activities to close out the school year (some of these sports may require payment, however non-payments options will still be available).

Please see the next page for the Year Level Sporting Calendar.

Northside Christian College – Year Level Sport Calendar 2026 (NISSA Competition) (as of 12 Nov 2025)
