Dear Parents and Caregivers

STATIONERY LIST/ORDER for 2026 – Senior School

Stationery lists for each year level can now be viewed in the Parent Portal>School Links so that you have plenty of time to plan for your child's stationery needs.

Personal Protective Equipment (PPE)

In the interest of student health and safety and to align with Education Queensland, which discourages the sharing of personal protective equipment (PPE), all students participating in the following classes will need to provide their own PPE. PPE items must be purchased from the College Uniform Shop; aprons are available for \$16.00, and safety glasses are \$3.00 each.

Yr 11/12 Chemistry: Lab Coats & Safety Glasses information for 2026

In Year 11/12, Chemistry students may occasionally conduct experiments involving hot liquids, corrosive agents, and solutions that can cause staining. Lab coats are necessary to protect students and their clothing; thus, they are essential for Year 11 and 12 Chemistry.

Due to the cleaning protocol needed for the sanitation of personal protective equipment (PPE), students must purchase their lab coats for 2026 when studying Chemistry. The school will continue to provide safety glasses in the Chemistry lab, whilst lab coats can be purchased from the Uniform Shop.

If you have any further science equipment enquiries, please do not hesitate to contact Mr Alec David, Head of Science, at (07) 3353 1266.

We appreciate your understanding and support. If you have any questions or require further clarification, please don't hesitate to contact Senior School Reception.

Yours sincerely

Mr Stewart Smith
