

Congratulations to our

Class of
2025

Feet on the ground. Aiming for the stars.

Academic Achievements

Class of 2025

The Class of 2025 has achieved results that reflect their commitment, resilience and dedication to academic excellence. They approached their learning with a 'faith filled' spirit and their achievements are a testament to their character and drive.

This cohort began their Oakhill College journey in Year 7 when the COVID 19 pandemic disrupted face to face learning and created significant challenges at the start of their high school experience. Their 2025 academic outcomes highlight the Lasallian principle of 'Quality Education' and demonstrate the united efforts of our students and staff. This shared belief in one another and commitment to learning has led to outstanding success.

Now as they are now form the Oakhill College Graduate, they go out into the world ready to make positive and meaningful contributions to the broader community.
