SCHOOL SPORT ASSOCIATIONS

PDSSSC

The Parramatta Diocese Secondary Schools Sports Council (PDSSSC) is OLMC's primary sport pathway to NSW Combined Catholic Colleges (NSWCCC) and NSW All Schools Sports. While OLMC participates in other sporting associations, PDSSSC is used for individual and team selections, as well as one-off gala days. For more information, visit the PDSSSC website.

NSWCCC

The NSW Combined Catholic Colleges (NSWCCC) is the governing body for Catholic school sport in NSW. All PDSSSC sports operate through NSWCCC, which organises: Carnivals, Individual trials and Team Championships. Students who qualify through NSWCCC can progress further in the sport pathway to NSW All Schools Sports. For more information, visit the NSWCCC website.

NSW All Schools

The NSW All Schools events bring together students from NSWCCC (Catholic schools), NSWCHS (Government schools) and NSWICIS (Independent schools). Successful students may then advance to School Sport Australia competitions at a National level.
