

## Parent Code of Conduct

### 1. Introduction

Peter Carnley Anglican Community School is a school of AngliSchools and is committed to providing a quality, holistic and child-safe education, ensuring learning environments are safe, respectful, positive and supportive for all students of the School.

The school recognises the importance of respectful collaboration between parents and school staff in providing pastoral care and education for a child. When a concern arises, parents must always approach any situation in a spirit of cooperation, understanding and genuine partnership.

To ensure such cooperation and support, the Parent Code of Conduct outlines the School's expectations for all parents with students enrolled at the School.

Parents are expected to uphold the School's core values at all times.

## 7. Consequence of a Breach of the Code

The School will investigate all reports of unacceptable behaviour and if satisfied a breach of the Parent Code of Conduct has occurred, based on the nature of the breach, they will consider:

- requiring a parent to only communicate with a nominated School representative;
- terminating the enrolment of a student(s).

AngliSchools has a Duty of Care to all staff and volunteers. Staff and volunteers are empowered to take steps to protect their own health and wellbeing. If they feel that a parent is being inappropriate, they are encouraged to indicate this and ask that such behaviour stop. If the concerning behaviour does not, or if a staff member feels a parent's actions are posing a risk to their or someone else's health and wellbeing, they are empowered to remove themselves from the situation. This may include by immediately concluding a meeting or phone call, or by requiring a parent immediately leave the School grounds (or School event). The staff member must report the matter to their Head of School or to the Principal.

## 8. Raising Concerns Appropriately and Productively

If a parent is not satisfied with the School's response, the AngliSchools Dispute and Complaint Resolution Policy and Procedures is available on the School website. This Policy sets out how concerns and grievances may be raised with the School, who they should be raised with, and how the School will deal with these in a respectful and timely manner.

The School respects a parent's rights to formally raise a grievance. However, parents who refuse to engage in constructive processes that may resolve their grievances, or who choose to publicly air their grievances about the School (and in particular about staff or students) on social media or in public, are not behaving respectfully and are in breach of the Parent Code of Conduct.
