6. School's Expectation of Parents

Parents are required to acknowledge that enrolment of a child at the School will require the child to participate in the School's programme of curricular and co-curricular activities, including being required to attend all mandatory sporting events, camps and excursions that take place outside of the School's regular timetabled activities. Exemption from participation in such activities may be granted by the Principal or their delegated staff member upon review of a written request for any such exemption.

The School enrolls students with a range of needs and abilities and, within the resources available, endeavours to provide an appropriate education of high quality for all students.
