

# CO-CURRICULAR PROGRAMME GUIDELINES (STUDENTS)

---

## Purpose

Peter Moyes Anglican Community School (the School) requires all students from Years 3 to 8 to participate and engage in the Co-Curricular Programme, with encouragement for students from Years 9 to 12 to continue their participation.

Involvement in the Co-Curricular Programme contributes to the School's consistent focus on the wholistic development of each student - intellectual, spiritual, emotional, physical and social. It contributes to building community and enhancing relationships outside the classroom environment.

The following guidelines outline the Co-Curricular Programme at the School:

1. All students from Years 3 to 8 must be involved and participate in Co-Curricular activities throughout the school year. The programme is comprehensive, with a variety of activities.
2. Students in Years 9 to 12 are encouraged to continue their participation in the opportunities provided in the Co-Curricular Programme.
3. Students in Year 9 and above are encouraged to participate in any of the Service opportunities to the community or at School.
4. The School recognises that there are students already committed to external activities or organisations and will acknowledge those activities as their Co-Curricular commitment.
5. All activity details for the upcoming term are provided in the Co-Curricular information and enrolment pack. This is made available to all parents and can be viewed on the SEQTA portal. Please note some activities may incur a cost.
6. Co-Curricular activities usually commence in the second week of each Term and continue through until the 2<sup>nd</sup> last week of Term. If a Term concludes mid-week, the afterschool Co-Curricular activities on that last day do not run.
7. For queries regarding the Co-Curricular Programme, please contact the Co-Curricular Co-ordinator at [cocurric@pmacs.wa.edu.au](mailto:cocurric@pmacs.wa.edu.au).
