

# SECONDARY AWARDS POLICY – STUDENT COLOURS AND HONOURS

---

## Purpose

Peter Moyes Anglican Community School (the School) wishes to recognise the outstanding and exceptional achievement of its students in a variety of School activities through the awarding of Colour and Honour badges.

Colours reflect outstanding performance, and Honours reflect exceptional performance in a given category.

Students may be awarded Colour and/or Honour badges for their endeavours in the areas of academic, cultural, sporting and service achievement.

Colours and Honours are presented at Secondary Award Assemblies each Semester, in accordance with the nomination and decision-making procedures outlined in the Secondary Awards Procedures - Student Colours and Honours.

It is possible for students, in accordance with the criteria of this policy, to be awarded Colour and/or Honour Badges on more than one occasion and for one or more activity.
