### **STRINGS PROGRAM GUIDELINES**

**LESSONS** are conducted during school time and are half an hour long. These lessons are taught in groups of varying sizes. Parents must inform the music teacher if they are unable to attend their lesson and a rescheduling of their child's lesson may occur if timetabling permits.

**STRING ENSEMBLE** The String Ensemble is an important part of the program. Students will be expected join the String Ensemble once they reach the appropriate level of skill and attend rehearsals & events in relation to the String Ensemble.

**PRACTICE** Progress on any instrument is dependent on regular practice. Students are expected to practice at least 5 times per week. If a child is not practising, support will firstly be provided, followed by a request for parental supervision and encouragement, and finally they may be asked to leave the program to make space for other students to join in their stead.

**TUITION** may be discontinued by the Principal after consultation with the Instrumental Music Coordinator under the following conditions, if **1)** The student is chronically absent from lessons or ensemble rehearsals without valid reason. **2)** The student demonstrates inappropriate or disruptive behaviour in lessons. **3)** The student makes little effort to practice or work at the instrument even with support offered and provided. **4)** The student is unsuited to the instrument or shows little aptitude, and a change of instrument is also unsuccessful.

*Every effort will be made to help your child feel successful at their instrument and develop a sense of belonging and contribution to the Peace Lutheran College Instrumental Music Program. We encourage and invite you to speak to the Instrumental Music Coordinator about concerns or questions at any time throughout the year.*

### **TUITION & HIRE FEES ACCEPTANCE**
