

Beyond the Scroll: supporting teens in Australia's new Social Media era

Parent webinar.

How has Australia's new social media age restrictions impacted your tween/teen and family?

Dr Danielle Einstein

Adjunct Fellow at Macquarie University
Co-Author of *Raising Anxiety: Why our good intentions are backfiring on children (& how to fix it)*

Join us for a supportive and informative webinar, unpacking the fallout from the social media delay legislation.

Clinical psychologist Dr Danielle Einstein will explore:

- Why the legislation was introduced and what platforms are affected
- Workarounds and bypasses – why the system isn't perfect yet
- Strategies to foster healthy digital habits and open conversations.

This webinar will be recorded and made available afterwards.
