RIVERMOUNT COLLEGE BUS SERVICE TERMS AND CONDITIONS

STUDENT OBLIGATIONS

1. The use of the College bus is a privilege, not a right: privileges can be lost.
2. The driver's instructions must be followed at all times.
3. When you are at a bus stop or on a bus, you represent the College and you should abide by the College Code of Behaviour. Use common sense, act safely and have respect for other people/passengers and their property.
4. Seat belts must be worn at all times (it's the law). Once underway, remain in your seat. Wait until the bus is at a bus stop before standing to get off or to change seats.
5. Eating and drinking on the bus is not permitted (the use of a water bottle is allowed).
6. If you drop something on the floor, pick it up. Do not put rubbish down the side of the seat or on the windowsill. Do not put your shoes on the seat. Do not put wet/dirty bag(s) on the seat.
7. There are no "reserved" seats and no seat is "your" seat.
8. Place school bag(s) on your lap or on the floor between your legs. After everyone is aboard, bag(s) may be placed on an empty seat. If there is a lack of space, bag(s) may be placed in the aisle but you must lift them out of the way at each stop. Also, it is generally acceptable to place the bag(s) on the seat next to the driver – just ask.
9. After getting off, do not attempt to cross a road until the bus has departed: the size of the bus can hide you from other drivers. Never attempt to cross a road in front of the bus.
10. Do not make excessive or sudden loud noises: this is very distracting for the driver and could lead to a vehicle incident.
11. Tell the driver if there has been an incident on the bus (e.g. a mess has been made, a seat has been marked or damaged, inappropriate behaviour, etc.). Not telling about an incident may sometimes be just as bad as the incident itself. Each bus is fitted with cameras to assist with identifying and recording incidents.

THE FOLLOWING BEHAVIOURS ARE UNACCEPTABLE:

Protruding any part of the body from the bus.

Marking or damaging any part of the bus.

Fighting, yelling, kicking, spitting, hitting, swearing or any other offensive action which causes discomfort for other passengers or distracts the driver's attention.

Throwing any article around inside or out of the window of the bus.

Obstructing the driver's vision or hindering the driver's operation of the vehicle.

PARENT OBLIGATIONS

1. It is important to arrive at the bus stop five minutes before the scheduled departure and arrival times to enable the bus to keep to its schedule*.
2. **All Primary School students must be accompanied by an adult until the College bus arrives at the pick-up and drop-off location, unless accompanied by an older sibling.**
3. If you are running late, advise the driver via the RollCall App. It is at the driver's discretion to either wait for you or continue the run but he/she will usually wait 2-3 minutes. Other families cannot be unduly inconvenienced. In the afternoon, no student in Year 6 or lower will be left unattended at a stop: if necessary, the driver will continue the run and return to your child to the College.
4. You must advise the driver (via RollCall) if your child will not be catching the bus as scheduled (e.g. due to absenteeism, sport or an excursion.) **This is in addition to any notification you need to give to the College.**
5. If you are unhappy about any aspect of the bus service and/or if you have a suggestion for improvement, contact the College Administration. Do not approach the driver – the driver's job is to convey the students in a safe and timely manner.

*Notes: Please refer to the route's Timetable on RollCall to view the scheduled departure (a.m.) and arrival (p.m.) times for each stop. The driver may skip a stop if there is no student scheduled to be picked up/let off. The bus schedule is at the mercy of traffic incidents.
