PERMISSION TO WALK TO LEE RESERVE RIVERVALE 2020

3 February 2020

Dear Parents,

During the school year we would like the opportunity to walk children to Lee Reserve for lunch time play. We are requesting parent permission to walk students to Lee Reserve during school hours.

Your permission will allow teachers to walk students to the Reserve and utilise the open space. This will provide us with opportunities to take students during lunch breaks and during school hours for further physical exercise and open space play.

The permission slip will remain current until end of 2020 school year.

Please complete the following slip if you give permission for your child to walk to Lee Reserve as part of providing a larger space for children to play and return to your child's CLASS TEACHER by **Wednesday 5 February 2020**.

Yours truly
John Ryan
Principal
