Tuition Payment Options
The College has partnered with specialist provider Edstart to make managing school fee payments easier. Edstart offers an easy, flexible and zero cost way for families to pay their school fees in periodic instalments that suit them. Edstart will allow you to spread the payment of your fees into weekly, fortnightly or monthly payments over the school year, with the ability to choose your preferred day for payment.

School Fees First Policy
The College operates on the understanding that parents prioritise the payment of compulsory tuition fees over the cost of voluntary events such as, but not limited to, camps and excursions. To ensure your child is not unable to attend these events or programmes, all tuition fees and levies must be up to date.

Late Payment of Fees
Parents/Carers who are unable to pay fees by the due date must apply to Edstart for an extension of time for payment. The Principal reserves the right to terminate a student's enrolment where fees are overdue.

Split Bill Arrangements
Please note that having a split bill arrangement for the payment of fees does not negate that the acceptance of an enrolment is acknowledgement that each signatory on the Enrolment Agreement is jointly and severally liable to the College for the payment of all accounts. This applies even if the accounts are usually paid by one parent or guardian, and regardless of whether the accounts are addressed only to one parent/carer. A parent/carer of a student may not delay or refuse to pay an account on the basis that they deem another parent or guardian to be responsible for payment of all or part of any account.

Absence from the College
No reduction in fees will be made on account of an absence from the College as the costs incurred in operating the College are not lessened by the absence of individual students.

Notice of Withdrawal
The Principal must be given a full term's notice in writing prior to the withdrawal of a student from the College. In lieu of such notice a full term's fees will be charged. Verbal notice is not considered to be due notice of withdrawal.

Fee Increases
As with other private schools there are unavoidable annual increases to tuition fees as the College works within the economic climate at the time. At Summerland we are very mindful of fee increases and do our best to consider families without sacrificing quality education.

Financial Hardship
Families may experience a period of financial hardship at some time during the schooling of their children. Although our ability to offer assistance is limited, should you find yourself in this situation, please contact Edstart.
