Skool2Skoolies 2018

The St Edmund’s College Skool2Skoolies initiative was created by St Edmund’s students in 2003 to highlight the positive contributions that young people can make to their community and to give back to the community that has done so much for them over the past five years of their lives.

Each year, Year 12 students from the College are given the opportunity to live out the College ethos and continue their ‘gentlemanly’ behaviour by committing themselves to raise funds for three charities which encapsulate the spirit of social justice within the Ipswich community, Australia and worldwide - The Ipswich Hospice, St Vincent de Paul and the Christian Brothers’ Immersion Programs.

Last year, through the dedication of students and charitable donations from local Ipswich entities, we were able to raise in excess of $20,000: a donation of $7500 to each of the previously mentioned groups. These donations assisted in creating a tangible change in the work carried out by these life-altering support networks. Approximately thirty students embarking on the 2018 Skool2Skoolies ride have already begun continuing the legacy through raising funds for this worthwhile cause.
