## Years 7-11 2026 Books and Stationery Orders

Dear Parents and Carers,

St Hilda's School provider of print and digital education resources is [Box of Books](#). Our primary connection with Box of Books is for the seamless use of their online platform where your daughter can access all of her e-textbooks with her School single sign-on login. In addition to purchasing textbooks, with the recent partnership between Box of Books and Officeworks, you can also purchase subject-specific stationery items using this platform. **Please read carefully the subject-specific note for stationery items.**

### How To Order

The [Box of Books shop](#) contains a year-level booklist where purchase can be made through the following three easy steps, using your mobile phone or signing in with your email:

1. Create an account using your mobile or email address to sign in
2. Add all your daughter(s) to your account and select their booklists
3. Select items to purchase from the booklists and check out using the secure payment gateway.

Please [click here](#) for a step-by-step guide and video on how to order through Box of Books shop.
