

St James College

Catholic co-education for Years 5 – 12
in the Edmund Rice tradition

Teacher (Science including Chemistry)

Located in the heart of Brisbane's CBD, St James College is a dynamic and vibrant Catholic, co-educational Years 5-12 school community with a proud heritage and a heart of welcome and inclusion. Grounded in the Edmund Rice tradition, we offer a liberating education that celebrates all students' rich and diverse backgrounds. Our innovative and bespoke pathways are award-winning, and we are committed to nurturing critical thinkers with self-agency and the drive to make a difference in the world! If you are looking for a new challenge in a purpose-led school environment, St James College offers this and more.

Applications are invited from fully qualified **Science** teachers with a current QCT Registration. The role is available on an **ongoing full-time basis**.

Qualifications, Skills and Experience

- Knowledge of, and preferably experience, teaching **Senior Chemistry**
- Support the ethos of the College as a Catholic school in the Edmund Rice tradition

Application Details:

- Please provide a Cover Letter, a current CV including two (2) referees, with at least one being your current employer or most recent employer, and copies of relevant qualifications.
