

Nudgee College Foundation Limited and Edmund Rice Foundation Pledge Form 2021

Nudgee College Foundation Limited (Tax Deductible)

Nudgee College Foundation Limited was established in 1984 and is the primary fundraising body for the College. Every Nudgee College family is encouraged to make a yearly voluntary donation of \$1,000 to the Building Fund. The exceptional facilities students enjoy today have been built and maintained through the generosity of past families and College community supporters, who saw the potential of a Nudgee College education.

The Nudgee College Foundation has been endorsed by the Australia Taxation Office as a Deductible Gift Recipient. This means that donations made to the Foundation are 100% tax deductible.

Edmund Rice Foundation (Not Tax Deductible)

Edmund Rice Foundation (Australia) is a non-government organisation which supports sustainable development projects in developing countries.

The Foundation supports projects which:

- work collaboratively with local communities
- are grounded in the expressed needs of those communities
- promote continuous improvement and the wellbeing of those communities
- deliver a fair distribution of the benefits that result from the projects

If you wish to contribute the suggested tax deductible voluntary donation of \$250 per term / \$1000 per annum to the Nudgee College Foundation Building Fund and \$35 per term / \$140 per annum to the Edmund Rice Foundation as part of your fee payment arrangement this will happen automatically.

Please email foundation@nudgee.com if you wish for your donation to be anonymous.

If you **do not wish to participate** in voluntary contributions, **you must complete this form** and return to St Joseph's Nudgee College.
