PURPOSE

St Kevin's College is a Catholic school in the Edmund Rice tradition. A member of the Edmund Rice Education Australia (EREA) network of schools the College holds the care, safety and wellbeing of children and young people as a central and fundamental responsibility.

This policy is an overarching document that forms the foundation of the College's commitment, procedures, practices, decision-making and culture with respect to child safety.

It is communicated on our public website, community and staff portals and provided on induction to all our School Advisory council members, staff, contractors, and volunteers.

SCOPE

This policy applies to all St Kevin's College staff, visitors, volunteers, contractors and school council advisory members.

This policy applies to all College activities during and outside of school hours. This includes College activities that are occurring on school campus, offsite, online, extracurricular, sport activities and programs, excursions, camps, interstate and overseas travel.

STATEMENT OF COMMITMENT TO CHILD SAFETY

St Kevin's College is committed to protecting the students in our care. We are committed to providing a child-safe and child-friendly environment, where children and young people are safe and feel safe, and are able to actively participate in decisions that affect their lives.

St Kevin's College is committed to the protection of children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Protection Program designed to keep children safe. Child abuse includes sexual offenses, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence.

At St Kevin's College we have zero tolerance for child abuse and are committed to acting in the best interests of all children and keeping them safe from harm. The College regards its child protection responsibilities with the utmost importance and,

as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintaining a child-safe culture.

1. All children have the right to be safe.
2. The welfare and best interests of the child are paramount.

5. The safety of children is dependent upon the existence of a child-safe culture.
6. Child safety awareness is promoted and openly discussed within our College community.
7. Procedures are in place to screen all staff, external education providers, contractors,

and volunteers who have direct contact with children.

8. Child safety and protection is everyone's responsibility.

CHILD PROTECTION PROGRAM

St Kevin's College is committed to the effective implementation of our Child Protection Program and ensuring that it is appropriately reviewed and updated. We adopt a risk management approach by identifying key risk indicators and assessing child safety risks based on a range of factors including the nature of our College's activities, physical and online environments and the characteristics of the student body.

Our Child Protection Program relates to all aspects of protecting children from abuse and establishes work systems, practices, policies and procedures to protect children from abuse. It includes:

- Clear information as to what constitutes child abuse and associated key risk indicators.
- Clear procedures for responding to and reporting allegations of child abuse.
- Strategies to support, encourage and enable staff, students, parents and carers, external education providers, contractors and volunteers to understand, identify, discuss and report child protection matters.
- Procedures for recruiting and screening School Advisory council members, staff (including sports coaches) and long-term contractors and volunteers.
- Pastoral care strategies designed to empower students and keep them safe.
- Policies with respect to cultural diversity and students with disabilities.
- A child protection training program.
- Information regarding the steps to take after a disclosure of abuse to protect, support and assist children.
- Guidelines with respect to record keeping and confidentiality.

- Policies to ensure compliance with all relevant laws, regulations and standards including the Victorian Child Safe Standards, Ministerial Order 870 and Ministerial Order 706.
- A system for oversight, monitoring, continuous improvement and review.

As a part of the College induction process, all School Advisory council members, staff and volunteers are required to complete training modules on the content of our Child Protection Program and additional ongoing training at least annually.

Staff, external education providers, contractors and volunteers are supported by the College's Director of Child Safeguarding and our Child Safety Officers to ensure that they are compliant with the College's approach to child protection.
