

REFUND POLICY – DONATIONS

Should a donor wish to make a request for a refund of a donation, the donor must make written request to the Trustees of the Foundation within 30 days of the date of the receipt of that donation to the Fund. The Trustees will process such refund within 30 days of the receipt of such request.

No refund will be made should a request be received more than 30 days after the receipt of a donation to which the request pertains unless, in the opinion of the Trustees, extenuating circumstances exist.
