Administration

Accounts for tuition fees and building levy will be sent out at the beginning of each term. Charges for camps and levies will be charged through the term accounts. Fee accounts must be up to date for students to participate in any extracurricular tours or excursions. College fees are set on an annual basis, however the College reserves the right to change the fee schedule without notice.

Fee Collection

The College fee structure and budget relies on the prompt payment of fees. Accounts for tuition and other fees are issued in advance each term and payable within 21 days of being issued. Fees can be paid by BPAY, direct debit or by credit card online through Parent Lounge. Parents unable to make payments prior to the due date must make arrangements with the Business Manager prior to the commencement of term. The College is supportive of families experiencing financial hardship.

The College will follow up all overdue fee accounts. All fees that do not meet the due date for payment and for which no arrangements have been made, may incur a surcharge of \$50 to cover additional administration costs. The College will also pass on any dishonour charges it incurs.

Any outstanding accounts after 21 days and where no arrangement has made with the College will be referred for legal action to recover the amount outstanding. Any costs associated with the legal collection of fees will be added to the account.

Refund Policy

Notice of withdrawal of a student must be given in writing to the Principal with at least a full term's notice (three months). Verbal notification or notification to staff members other than the Principal is not considered due notice. Failure to provide such advice to the College in writing will result in a payment of fees of at least one term's tuition fees in lieu of the required notice.
