Thursday 30 April 2020

Dear Parents and Carers

As we commence Term 2 today with our students' education continuing, we wish to confirm the billing arrangements for this term. St Mark's teachers welcome back students today, on or off campus, to continue their daily learning routines. Although no ASC school has offered an overall fee reduction for Term 2 (as advised on 8 April 2020), St Mark's has reviewed other levies and charges for Terms 1 and 2 to ensure that the amounts charged are reasonable during these times and for savings to be passed back to families.

It has not been possible to run a number of School activities, including some class tasks, because of restrictions necessary to slow or stop transmission of the COVID-19 virus, and so fees and charges for those activities and classes have been reviewed. The attachment provides a list of fees and charges that have been reduced as a result of the review. Where these fees and charges are billed in Term 2, the lesser amount will be billed. Credits will be provided in Term 2 where amounts have already been billed in Term 1.

Term 2 bills will be emailed to families on Monday 4 May.

We understand that some families have been directly affected by the economic impact of the COVID-19 pandemic with job loss, significant reduction in work hours or business closure, causing significant financial stress. These are challenging times for all and the School is committed to helping those families who are experiencing hardship as a result. If you have any concerns regarding payment of School fees, please contact our Business Manager, Carolyn Gray, (at cgray@stmarks.wa.edu.au or on 9403 1301) or Kaye Smith, our Family Accounts Officer (at familyaccounts@stmarks.wa.edu.au or on 9403 1338). Carolyn or Kaye will work with you to determine a Tuition fee support solution that best fits your situation.

Yours sincerely

Steven Davies
Principal

Carolyn Gray
Business Manager
