Dear Parents/Guardians

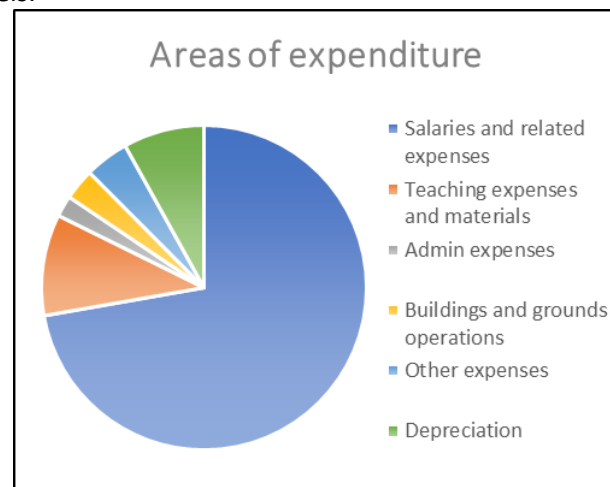

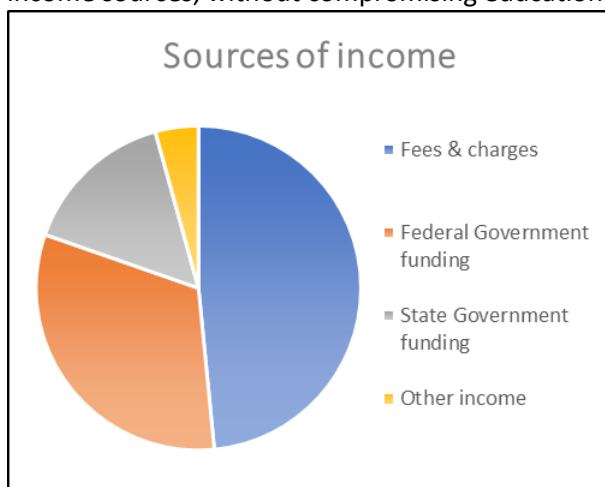

2020 TUITION FEES

St Mark's is committed to tuition fees providing value for money in delivering an accessible, high quality, inclusive, caring and Christian education. The annual tuition fees for 2020, excluding sibling discounts, are:

Early Learning Centre – KG to Year 1	\$6,664	Middle School – Year 7 to Year 8	\$9,296
Junior School – Year 2 to Year 5	\$6,664	Senior School – Year 9	\$9,800
Middle School – Year 6	\$8,296	Senior School – Year 10 to Year 12	\$10,056

A general fee increase of 2.5% from 2019 fees applies, with additional structural fee increases for Year 6 and Year 9 as previously advised. Further information regarding fees and charges for 2020, including sibling discounts and future structural fee changes for Years 6 and 9, is set out in the attached schedule.

St Mark's continues to receive funding from the Federal and State Governments, yet this funding contributes significantly less to the School's total income than ten years ago; currently 45% of income is from government funding, compared to 60% in 2010. In particular, annual per capita funding has reduced in real terms by over \$1,500 per student since 2017. To ensure the loss in funding income has not been offset by fee increases alone, the School continues to actively reduce operating costs and seek alternative income sources, without compromising education levels.

The past stewardship of St Mark's equipped the School to successfully meet these financial challenges and position it for continued future success. If you would like to discuss the school fees in more detail, please contact my Executive Assistant on 9403 1302 or by email at principal@stmarks.wa.edu.au to arrange a time for us to do so.

Yours sincerely

Steven Davies
