Whittaker's Wings Foundation

Our team is incredibly proud to have partnered with the wonderful **Whittaker's Wings Foundation**. We are honoured to support their mission and the meaningful difference they make for families experiencing stillbirth and pregnancy or infant loss.

Through care packs and ongoing support, Whittaker's Wings provides comfort, compassion and reassurance to bereaved families during some of life's most difficult moments.

As part of our ongoing partnership, Team May proudly donates $200 from every property settlement to Whittaker's Wings Foundation. We are also hosting a charity fundraising event at Place HQ on James Street, with funds raised through ticket sales, a live charity auction and generous donations on the evening.

We would love to invite the College community to join us and support this very special cause.
