ISSUES SIGNING IN?

Locate your email regarding your activation for your Signle Sign On.

If you are still experiencing issues signing in, please follow the steps below.

The image shows a screenshot of the Christian Community Ministries (CCM) login page. The page features the CCM logo (a cross and the letters CCM) and the text "unified authentication service". Below the logo, it says "Christian Community Ministries" and "Please enter your username and password". There are two input fields: "Username" and "Password". Below these fields is a checkbox labeled "Remember me for 7 days" and a "Sign in" button. At the bottom, there are three links: "Password reset for parents & carers", "Username recovery for parents & carers", and "Password reset for students & staff". A final line of text says "Please contact our [technical support team](#) if you require assistance logging in." Three blue callout boxes with arrows point to specific elements: "Your email address" points to the Username field, "Select reset password" points to the first two links, and "Still having Trouble?" points to the technical support team link.
