Sophia Mundi Steiner School is committed to delivering an affordable inner-city Steiner Education and International Baccalaureate Diploma Programme. We endeavour to keep our fees commensurate with the quality of education we provide and the actual running costs of the School. Sound financial management, sustainable enrolment levels and timely receipt of fees form the keystone of our School's financial health and vitality.

All fees, levies and parent contributions are invested in enabling a high-quality, caring and enjoyable Steiner education and learning environment for our School's students, teachers and community.
