Please consider the activities available and complete the attached Parent Permission Form if your child is interested in an Ex-Activity. **Students can undertake Two Ex-Activities if they wish, it is expected that if a student signs up for an Ex-Activity there is a commitment to attend each week and if they are unable to attend please notify the teacher in charge.**

Please note: Parents will only be contacted if their child does not receive their chosen Ex-Activity so a new activity can be arranged.

I am happy to answer any general questions, but if you have any questions about the individual activities, please contact those responsible for the activity.

Yours sincerely,
