## Ladies Beginner Clinics

To all prospective Lady Beginners, with the assistance of our Club Professional, Chris Chaplin, we are searching for any interested ladies, from the beginner through to the intermediate stage, to join in with our clinics and learn the fundamental techniques of the long and the short game. Covering swing, chipping, putting and bunker play.

The Clinics run over a 5-week program on Wednesday afternoons during the school term, the first 4 weeks are a 'clinic' style format from 1:00pm to 2:30pm. For the final week this is an 'on course' 2-hour session from 12:30pm to 2:30pm, where Chris will take you out on the course for an Ambrose style game.

Equipment, if you have access to clubs please bring them, otherwise we do have golf clubs available if required.

We would like to think this may create a stepping stone into membership and regular golfing at our club, there is plenty of social golf available along with a number of competitions suited to all levels, from the beginner through to the more experienced golfer.

The benefits of being member –

- Can play all year without paying daily green fees (allowing for normal club competitions)
- Being a member enables you to obtain an A.G.U. (Australian Golf Union) handicap to play in club competitions and tournaments at Sandgate Golf Club and throughout Australia for the elite level player
- Develop social skills and individual character and integrity required to play with all age groups and adhere to the rules and ethics of the game
- Will be a skill that will stay with you for years to come

The Lady Beginner Clinics will commence in Term 4 on Wednesday 23 October.

If you are interested or would like more information please contact the Sandgate Golf Club on 07 3269 3252 or email [sandgolf@bigpond.net.au](mailto:sandgolf@bigpond.net.au)
