Dear Parent/Guardian,

Re: Parent/Teacher Evening and Additional Support for Students

As we come to the end of Term 1, we would normally be preparing for our first Parent/Teacher evening which was to be held Monday 27 April. Following recent health advice, we will no longer be able to hold this evening and have cancelled the April Parent/Teacher Interviews.

By the end of this term, all teachers should have provided some feedback, assessments and/or comments on Schoolbox for each of their subjects. I would like to remind and encourage you to look on Schoolbox to see how your child is progressing in each of their subjects. Continuous feedback will be provided by teachers through Schoolbox.

Should you have any issues regarding your child's progress in any subject, please email their teacher with your concerns.

### **Additional Support for Students**

Our Learning Enhancement Team is working to coordinate timetables and opportunities to check-in with students who require additional support above their normal classroom teaching and learning. These students may have learning difficulties, disabilities or extenuating circumstances (especially with what's happening in the world right now). If your child needs additional support, please complete the short online form and the Head of Faculty for Learning Enhancement will be in contact with you regarding your request. To access the form please click the following link: <https://forms.gle/N6hnscoBkAjPex1A>

If you have any questions, please contact the College by email at [contact@stpatricks.tas.edu.au](mailto:contact@stpatricks.tas.edu.au) or by phone on 6341 9988.

Kind regards,

A handwritten signature in black ink that reads 'A. Stretton'.

**Mrs Alanna Stretton**

Deputy Principal - Learning & Achievement Head of Senior School
