To Whom It May Concern:

RE: External Hire and Use of College Facilities (COVID-19)

In light of preparing our College community for the potential impact of the Coronavirus, St Patrick's College is acting upon directives from the Tasmanian Catholic Education Office (TCEO). These directives are aligned with current Public Health advice to minimise risk within our community and lessen the potential spread of the virus.

All non-core school related activities have been cancelled, effective from Monday 23 March 2020, with College sporting facilities, unfortunately, being closed for external hire until further notice. When advised by the TCEO that facilities are available to re-open we will be in contact with you regarding availability.

If you have any questions or concerns, please contact the College by phone on 6341 9988 or email at [contact@stpatricks.tas.edu.au](mailto:contact@stpatricks.tas.edu.au).

Kind regards,
