St Patrick's College
LAUNCESTON

AQUACULTURE TECHNICIAN

Part-time/Ongoing Position

Commencing September 2020 | Approx 15 hrs per fortnight

St Patrick's College is seeking to employ a self-motivated and passionate candidate to join the team as a part-time Aquaculture Technician. This is an outstanding opportunity for someone pursuing a career in Aquaculture. The successful candidate will gain valuable experience in providing practical support in the operation and maintenance of the College's state-of-the-art Aquaculture Trade Training Centre. The Trade Training Centre is a purpose built facility delivering vocational educational courses in Aquaculture.

As well as being strongly imbued with and supportive of the ethos of a Catholic college, the successful applicant will demonstrate initiative, curiosity, a strong work ethic and exceptional time management skills.

St Patrick's is a Catholic co-educational Year 7-12 college of approximately 1,500 students with a strong academic culture that encourages individual students to develop to their full potential through a broad educational experience.

Further information, including selection criteria, position description and instructions on how to apply for this position is available from https://www.stpatricks.tas.edu.au/our-college/employment or phoning Human Resources on 03 6341 9988.

Applications with required accompanying documentation, including an introductory cover letter, response to selection criteria and resume, should be submitted to:
