## **STUDENT STATUS**

### **Termination of Enrolment**

When a student is to be withdrawn from the College, or if an Enrolment is to be cancelled by the parents, they are required to give the Head of College one term's notice, in writing, before the withdrawal or cancellation date.

However, if withdrawal is to be effective at the end of the College year, written notice must be given by the end of Term 3. Parents who do not give the required period of notice will be liable to pay the College an amount equal to one term's fees in lieu of such notice.

### **Change of Day/Boarder Status**

To ensure appropriate care and supervision of our students, the College expects that each student will be in residence with either their parents, legal guardians or in Boarding at the College.

Upon request in writing, the Head of College may approve a change of status from day student to boarder student or vice versa. At least one term's notice, in writing, is required to be given to the Head of College before that change is due to take effect. Parents who do not give the required period of notice will be liable to pay the College an amount equal to one term's fees in lieu of such notice. Generally, the College will not agree to a change from boarder to day student unless the student is to live with parents who are relocating.
