*Upper Primary Junior High Senior School*

Dear Students and Parents,

Welcome to the **St Peters Solo Festival 2020!** Students are invited to perform, listen to their peers and receive feedback from renowned performing musicians and educators, participating in either a competitive or non-competitive section.

In addition to the many benefits of playing a musical instrument, students can build their skills and self-confidence through public performance. It is also great practice for students who are sitting upcoming exams. Students also have the option to use their Solo Festival performance as an audition for 2021 Music Ensembles (please note that auditions for Chorale, Soloists and Symphonic Winds will be held separately).

All students will receive a certificate of participation and a specialist adjudicator's comment sheet. Additionally, students may choose to enter the competitive section, where the winner will be awarded the perpetual trophy for the section, which will be displayed during the year in the department display cabinets in the PAC foyer. The winning student will also receive a trophy as a memento.

Sections will be run in lieu of afternoon instrumental ensemble rehearsals in Term 4 Week 5. Each section will commence at 3:30pm. Please see over for the Solo Festival Timetable.

Students are expected to stay for the entirety of their section, and be a supportive audience member.

With the exception of percussionists, each student is asked to perform **one piece only**. Percussionists will be expected to perform once piece each on a tuned (mallets or timpani) and untuned (snare drum or drum kit) instrument. The time limit for sub-school sections are:

|                                      |                      |
|--------------------------------------|----------------------|
| <b>Senior School</b>                 | maximum of 8 minutes |
| <b>Junior High and Upper Primary</b> | maximum of 6 minutes |

Students may perform either accompanied or unaccompanied repertoire (where accompaniment for your piece is available, you are expected to use an accompanist). A rehearsal time is offered for accompanied students and further notification regarding rehearsal times will be sent via email once the registration period has closed.

**Cost per student:**

| Unaccompanied Entry | \$25.00  |
| Accompanied Entry   | \$35.00 (accompanist provided for both the performance and an earlier rehearsal) |
