# Rural Leadership Scholarship Guidelines 2026

As a Lutheran school providing quality Christian co-education, St Peters is committed to recognising students' gifts and abilities. In acknowledging God's blessings to us, St Peters offers a number of scholarships and bursaries to support students who demonstrate excellence and potential.

The **St Peters Lutheran College Future Foundation Rural Leadership Scholarship** was established to provide access to a St Peters education for boarding students from rural or remote areas who may not otherwise be able to attend without financial assistance. The scholarship supports students who demonstrate leadership potential and align with the values and ethos of the College.

The Rural Leadership Scholarship is valued at \$17,500 per annum.

## Eligibility

To eligible to apply for a Rural Leadership Scholarship, applicants must:

- Be a new student to St Peters Lutheran College
- Be entering Year 10 in 2027 as a boarding student
- Reside in a rural or remote area (more than 200 km from a state capital city)
- Be an Australian citizen or permanent resident
- Demonstrate the abilities and attributes to be a leader in the Boarding House and broader St Peters community
- Demonstrate values compatible with the ethos of St Peters Lutheran College

## Expectations

Scholarships are awarded on the understanding that recipients will make a positive contribution to College life. This includes an expectation to:

- Strive for excellence in academic studies
- Actively participate in co-curricular activities, with a minimum of two (2) activities per year required
- Demonstrate leadership capabilities, such as positive participation, initiative, respectful conduct, teamwork skills, behaviour modelling, and taking responsibility.

All scholarships are confidential arrangements between the College and the family and must not be discussed with other parties.

## Application and selection process

1. Submit a completed Rural Leadership Scholarship Expression of Interest (EOI) and all required attachments.
2. Shortlisted candidates will then be invited to complete a full enrolment application to the College.
3. Pending all enrolment application documents and specifications are met, the shortlisted candidates undertake an online interview with a panel comprising representatives from Boarding, Senior School and Foundation.
4. The successful candidate will receive an offer and be invited to progress through the remainder of the enrolment and onboarding process to commence in Term 1 of the following calendar year.

The awarding of a scholarship shall be determined on merit at the discretion of the Rural Leadership Scholarship interview panel.

## Cost

Recognising the financial assistance basis of this scholarship, the enrolment application fee will be waived for shortlisted candidates invited to an interview. The enrolment confirmation fee for the successful applicant will also be waived. Families must, however, be able to meet the remaining costs of tuition and boarding not covered by the scholarship. Please refer to the College's current fees schedule for full details of applicable costs.

## Tenure and review

The Rural Leadership Scholarship is valid for the duration of the student's enrolment at St Peters Lutheran College, subject to a boarding, academic and co-curricular review each semester, satisfactory progress in all areas of College life, and adherence to College policies and procedures.
