Personalised Learning Costs

School Fees cover our Core and Essential learning programs, which includes all courses required for attainment of QCE in Year 11-12 and the delivery of the Australian Curriculum requirements. Costs that arise in the development of a student's personal project or personalised learning pathway that sit outside these programs are a family's responsibility. These costs may include:

- a course or other activity provided by an external supplier
- an external exam or assessment that incurs additional costs
- specialised materials or resources
- transport to and from a mentor, training or learning opportunity

We do not make financial decisions arising from personal projects on behalf of families. The decisions and payment arrangements for these costs are left with the family.

Extension Music Fees

The School offers instrumental and choir programs as an extension to our essential learning program. Below are the fees for this program per student. Enrolment into these programs is for a full year if a student withdraws, the full year charges remain.

Year 3 students require a violin for their strings program. We offer instrument hire for this for a fee.

If you wish to hire a violin or enrol your child into the music extension program contact our Music Co-Ordinator Melanie Creamer melanie.creamer@silkwood.qld.edu.au.

School Camp Payments

School Camps offer opportunities for student growth in a unique way and are part of **The Silkwood Way** essential learning program. For this reason, camps are not optional unless a student has a medical reason. Should you be concerned about your child's attendance at camp, meet with your Advisor to discuss before the start of the school year.

Camp fees are adjusted yearly to reflect changes to costs from providers. They are published separately in November every year and then included as part of the annual school fee invoice. See Terms of Payment below for details about refunds for school camps.
