

# Killard Set-up Programme (Pre-Kinder children invited to join)

## Term 4 2025

### Term Focus - Emotional and Social Wellbeing

- For children to develop an increasing capacity to understand, self-regulate and manage their emotions in ways that reflect the feelings and needs of others.
- For children to assert their capabilities and independence while demonstrating increasing awareness of the needs and rights of others and recognising the contributions they make to shared projects and experiences.
- For children to demonstrate spatial awareness and orient themselves, moving around and through the environment confidently and safely.
- For children to seek out and accept new challenges, make new discoveries, and celebrate their own efforts and achievements and those of others.
- For children to be playful and respond positively to others, reaching out for company and friendship.
- For children to show enthusiasm for participating in physical play and negotiate play spaces to ensure the safety and wellbeing of themselves and others.
