INTERNATIONAL STUDENT FEES AND CHARGES 2027

TOORAK COLLEGE
Mount Eliza

CONDITIONS OF ENTRY

Admission to Toorak College is conditional upon the Acceptance of Offer that includes the Terms and Conditions of Enrolment and Boarding (Terms & Conditions) being signed by each Parent/Guardian and subsequently accepted and agreed to by the School. Together, the Acceptance of Offer, the Terms and Conditions and this Schedule (as amended from time to time) will form a legally binding agreement between each Parent/Guardian and the School (Enrolment Agreement).

ENTRANCE FEES

Application Fee

A non-refundable Application Fee of $150 (includes GST) is payable when an Application for Enrolment is lodged by a Parent/Guardian (Application Fee).

If a place cannot be offered, the student will be included on a waiting list without further fee.

Admission Fee

A non-refundable Admission Fee of $1,000 for each child is payable upon an Application for a place at the School being accepted (Admission Fee). This fee is attributed to the administrative cost associated with processing and accepting an enrolment, including access to the parent portal and does not offset against future fees.

The Admission Fee is forfeited in the event that the enrolment is withdrawn and the student does not commence at Toorak College.

FAMILY CHARGE

Capital Development Levy

An annual fee of $900 per family is applicable and is not included in the tuition fees (Capital Levy). The Capital Levy will be charged as an annual fee and will not be charged pro-rata for a part year of enrolment. The Capital Levy is used to assist with improvement and upgrade of physical facilities and assets at the School.

ANNUAL COMPULSORY STUDENT CHARGES

The annual compulsory student charges detailed below are applicable to overseas students who are enrolled on a visa that permits them to travel to Australia for the purpose of undertaking education. Overseas students do not attract Australian Government recurrent funding. Overseas student visa subclasses include 500, 570, 571, 572, 573, 574, and 575.

Tuition & Boarding Fees

Tuition and Boarding fees (if applicable) are charged per student, at the applicable rate for the year level enrolled, in two instalments per year: November and April.

The fees charged include Camps, Excursions, Visiting Performers, Software Licences, Accident Insurance and Other Compulsory School items and activities as determined by the School.

The School will not provide refunds for compulsory activities when a student falls ill or is otherwise unable to attend for any reason. Events are booked in advance, and costs calculated on a pre-determined number of students attending.

TUITION DISCOUNTS

Tuition Fee Discount – Payment in Advance
A discount equivalent to 3.5% of the applicable Tuition fee will be applied if the annual Tuition Fee is paid in full by 30 November 2026. This discount applies to the Tuition component only and is calculated after allowing for scholarships and sibling discounts, where applicable.

This discount does not apply to the Boarding Fee, Capital Development Levy or Resource & Activity Fee.

- 5% for the second child, 15% for the third child, 50% for the fourth child.
- Discounts do not apply to siblings who receive bursary assistance.
- Discounts will be calculated after allowing for scholarships where applicable.

Sibling discounts do not apply to the Boarding Fee or Resource & Activity Fee.

PAYMENT OF FEES

Payment of all fees should be made via the Veracross Parent Portal:
https://portals.veracross.au/toorakcollege/parent/billing/students

Tuition Billing Account

- All Annual Compulsory Student Charges are due and payable in accordance with one of the following options:
  - Payment in half yearly instalments payable by 30 November 2026 and 30 April 2027.
  - Payment of annual fees in advance by 30 November 2026.

Incidental Billing Account

- Incidental Student Charges apply for non-compulsory excursions, camps, co-curricular programs, events, bus travel and other miscellaneous items. In most instances, these fees are payable upfront at the point of registration. Where it is not practical to collect payment upfront, incidental charges will be charged in March, June, September and December of each year and are due and payable in accordance with one of the following options:
  - Manual payment via the Veracross Parent Portal from your nominated bank account within 28 days from the date of invoice; or
  - An Autopay Registration may be completed in the Veracross Parent Portal which will be processed on the 28th of the respective billing months.

Payment Default

- Where fees are not paid in full by the required date, or dishonoured instalments are not cleared by the end of the month, the Parent/Guardian agrees to pay an administration fee of $150 monthly until the fees are paid in full.
- No student will be permitted to commence a new Term while any part of the fees for the previous instalment period remains unpaid.
- In the event of default in payment of any monies due to the School, the Terms and Conditions shall apply.

WITHDRAWAL FEES

Student Withdrawal

In accordance with the Terms and Conditions, notice is required to be given before a student is removed from the School or boarding house as follows:

- written notice to the Principal no later than 31 October if the child's enrolment or boarding status is to conclude on a date that is on or after the last day of Term 4 that calendar year but before the first day of Term 1 in the following calendar year; and
- otherwise: written notice to the Principal no later than the first day of the school term which is the child's last full term of enrolment. (For Example: This means that if a child's enrolment or boarding status will be concluding on the last day of Term 3, notice of withdrawal must be provided no later than the first day of Term 3).

If notice is not given in accordance with the Terms & Conditions, an Early Withdrawal Fee of $9,500 (includes GST), is payable as a genuine pre-estimate of the College's loss. For the avoidance of doubt, one Early Withdrawal Fee is payable for withdrawal of a child's enrolment, and one Early Withdrawal Fee is payable for alteration to a child's boarding status. This means that two Early Withdrawal Fees are payable if a boarding student's enrolment is withdrawn without the required notice.

Absentee Charges

Should a student be absent for a Term, other than on student exchange, a holding fee of 15% (includes GST) of the annual tuition fee is required to be paid to hold that student's place open for the next Term. If the student returns on an agreed date, the holding fee will be credited to the student's account. The Principal must be advised in writing one Term in advance of any intended absence. If the absence is to be greater than one Term, an appointment must be made with the Principal to determine place availability and an appropriate holding fee relative to the period of absence.

The Holding Fee must be paid prior to commencement of the approved period of absence. Where a holding fee is not paid prior to commencement of the approved absence, tuition and boarding fees will continue to be charged until such date as the holding fee is paid.

PARENT ACKNOWLEDGMENTS

School Rules and Policies

As a condition of ongoing enrolment, each Parent/Guardian agrees to fully cooperate with the School to promote the child's education (and boarding, if applicable). This includes involving themselves in the life of the School and being responsive to the School's concerns.

It is a condition of enrolment that each Parent/Guardian and their respective child/children enrolled at the School familiarise themselves and comply with the Schools codes of conduct, handbooks, directions, policies, procedures, rules and values, which are published and amended by the School from time to time at its absolute discretion.

The School may suspend or terminate the enrolment (and boarding, if applicable) of any student and of any siblings at the sole discretion of the Principal where, in their reasonable opinion, either a parent or their enrolled child has acted inconsistently with the School's expectation as set out in its handbooks, directions, policies, procedures, rules and values or has breached any terms of the Agreement.

Refunds

Any refund of tuition fees or other charges for student default will be paid as per the School's refund policy, which is part of the Enrolment Agreement.

Any refund of tuition fees in the event of visa refusal or School default is prescribed by legislation (Education Services for Overseas Students (ESOS) Act 2000 and Regulations 2001).

Liability

The Parent/Guardian acknowledges and agrees that the School will not accept responsibility or liability for the loss or damage to property belonging to Parents/Guardians or students however occasioned, and they agree they will not have any claim or demand against the School and that they release the School in respect of the same.

Schedule of Fees and Charges

By entering into an Enrolment Agreement, the Parent/Guardian acknowledges that all fees and charges detailed in this Schedule are the relevant fees and charges as at the time of signing the Enrolment Agreement. The Parent/Guardian acknowledges and agrees that the School may change such fees and charges from time to time in its sole discretion and that upon such change, those fees and charges shall become the applicable fees and charges from that time. The Parent/Guardian agrees that they shall have no claim or demand upon the School in respect to changes of the fees and charges.
