	Board Sign Off Date: 27 May 2025 Implementation Date: 2 June 2025

1 Purpose of these Terms and Conditions of Enrolment and Boarding

- 1.1 These Terms and Conditions of Enrolment and Boarding set out the terms upon which a child is enrolled as a domestic or international student (and where applicable, boarder) at Toorak College (**the College**).
- 1.2 Boarding provisions in these Terms and Conditions of Enrolment and Boarding only apply where the College has offered a place of boarding (and that offer has been accepted).

2 Acceptance of Enrolment

- 2.1 Each parent or legal guardian (referred to as **parents** for convenience) who accepts the College's offer of enrolment (and boarding, if applicable) for a child, also agrees to the terms in these Terms and Conditions of Enrolment and Boarding for the duration of the child's enrolment (subject to clause 3).
- 2.2 A parent who causes a child to attend the College for the purpose of receiving educational (and boarding, if applicable) services is deemed by their conduct to have accepted these Terms and Conditions of Enrolment and Boarding.
- 2.3 All parents with parental responsibility for a child must agree to the terms in these Terms and Conditions of Enrolment and Boarding, unless the College provides written confirmation that it accepts otherwise. The College may request evidence from a parent in support of this arrangement prior to accepting an enrolment (and where applicable, admission to boarding) by only one parent.

3 Ongoing nature of these Terms and Conditions of Enrolment and Boarding

- 3.1 As the College is a single-sex school:
- (a) until the conclusion of 2026, it is a condition of enrolment for students from Year 5 and above that a student is of the female sex; and
- (b) as of 2027, it is a condition of enrolment for students from Prep and above that a student is of the female sex.
- 3.2 Subject to clause 3.1, these Terms and Conditions of Enrolment and Boarding are ongoing and will remain in place until such time as:

- (a) a child's enrolment is withdrawn or otherwise ends in a manner provided for in these Terms and Conditions of Enrolment and Boarding;
 - (b) until the end of the 2026 academic year, a child completes a co-educational education at the College until Year 4, unless the College provides written notice no later than the last day of Term 3 in Year 4 that the student's education will continue for Year 5 and beyond;
 - (c) as of the 2027 academic year, a child completes the co-educational 4-year-old kindergarten program, unless the College provides written notice no later than the last day of Term 3 that the student's education will continue for Grade Prep and beyond; or
 - (d) a child completes a Year 12 education at the College.
- 3.3 The College reserves the right to reasonably amend these Terms and Conditions of Enrolment and Boarding annually, to address the operational needs of the College and its boarding facility. The College will provide advance notice of any amendments by communicating the amendments to the family no later than the third week of Term 3, with the relevant amendments to take effect the next year (and which, for the avoidance of doubt, will not apply retrospectively). A family will accordingly have the option to give notice of withdrawal in accordance with clause 7 before the amendments take effect.
- 3.4 A parent who agrees with these Terms and Conditions of Enrolment and Boarding in relation to an enrolled child at the College, also agrees to these Terms and Conditions of Enrolment and Boarding in relation to each of the parent's children enrolled at the College at that time.

4 Responsibilities of the College

Education

- 4.1 The College will provide an education for the child during the period of enrolment, guided by the College's values and in accordance with its curriculum framework, as amended by the College from time to time at its absolute discretion.
- 4.2 The College will deliver the school curriculum through a range of methods, including the provision of on-campus education and online learning arrangements. The College may transition to on-line or alternative learning arrangements, either in whole or in part, where in its sole discretion, the College considers it necessary or appropriate to do so. Relevant considerations may include but are not limited to concerns about the wellbeing or public safety of any students or staff, a public health order or a declared state of emergency, staffing resources or learning opportunities.
- 4.3 Parents acknowledge that the College does not guarantee or represent any specific outcomes or level of achievement in relation to the educational services provided to its students.

Boarding

- 4.4 The College provides a boarding facility for students who are enrolled as boarders. The College's boarding facility offers students the ability to live away from home and in a setting that provides opportunities for personal growth, development and life skills such as time management, work ethic and independence.

Further information can be found in the College's Boarding Experience Handbook and Enrolment Policy. These documents do not form part of these Terms and Conditions of Enrolment and Boarding.

- 4.5 Parents acknowledge that the College does not guarantee or represent any specific outcomes or level of facilities and services in relation to its boarding services.

5 Support for the College

5.1 Each parent:

- (a) agrees to cooperate fully with the College to promote the child's education (and boarding, if applicable), including by involving themselves in the life of the College and being responsive to the College's concerns; and
- (b) agrees to ensure the child and the child's parents familiarise themselves and comply with the College's codes of conduct, handbooks, directions, policies, procedures, rules and values as published and amended by the College from time to time at its absolute discretion.

5.2 Each parent will do all things reasonably necessary during the enrolment period to ensure the child:

- (a) is well-presented, wears the school uniform at all times, and complies with the College's appearance standards;
- (b) arrives at school (and where applicable, boarding) on time, attends all classes and is prepared for study;
- (c) completes assessments and exams, and performs homework, when asked to do so;
- (d) attends school-related activities, camps, excursions, events and retreats (collectively, **Co-curricular Activities**);
- (e) participates fully (with regard to the child's needs) in all aspects of the life and programs of the College;
- (f) cares for all school buildings, furniture, property and equipment;
- (g) does not leave the school grounds during school hours, except as authorised by the College from time to time;
- (h) does not possess, use, distribute or sell illegal or illicit substances (including tobacco, e-cigarettes, personal vaping devices (regardless of whether they contain nicotine), medication (unless used in accordance with a prescription), drugs or alcohol and related paraphernalia, and not do any of these things in relation to suspected illegal or illicit substances;
- (i) does not access, possess, distribute or sell explicit material, including physical and cyber materials;
- (j) does not pose a risk to their own health and safety, or the health and safety of others, including by refraining from engaging in conduct that could be considered as bullying (whether in person or online); and
- (k) is familiar and complies with the College's codes of conduct, behavioural standards, handbooks, directions, policies, procedures, rules and values as

published and amended by the College from time to time at its absolute discretion.

6 School Fees

- 6.1 The College publishes in advance of each school year a schedule of fees for students (including boarding students) setting out:
- (a) all tuition fees and course levies, application and admission fees, and other charges and levies, imposed by the College for that school year (collectively, the **School Fees**) in relation to a student's enrolment at the College (as either a day student and if applicable, boarder), or in relation to certain activities and programs;
 - (b) due dates for payment (which may be in advance or arrears);
 - (c) discounts that may be applicable to the School Fees;
 - (d) payment methods and payment arrangements; and
 - (e) other relevant matters (including in relation to consequences for non-payment).
- 6.2 The terms of each schedule of fees are at the College's absolute discretion, and subject to change annually. However, the College will not vary those terms retrospectively.
- 6.3 Where practicable, the College will endeavour to provide parents with notice of the following school year's schedule of fees by no later than the eighth week of Term 3 in the preceding school year. This will provide parents with the opportunity to consider whether they accept the following school year's schedule of fees or, if not, provide notice of withdrawal before the end of Term 3 in accordance with clause 7. Unless otherwise agreed in writing with the Principal or the Director of Business, each parent agrees:
- (a) to be jointly and severally liable for the payment of all School Fees imposed by the College during the child's enrolment (and boarding, if applicable);
- Note - Each parent must agree to be jointly and severally liable, unless the College accepts a Change of Financial Responsibility Form (a copy of which is available from the Director of Business). The College may request evidence from a parent in support of a Change of Financial Responsibility Form prior to agreeing, at its absolute discretion, to release a parent from joint and several liability.*
- (b) to pay all School Fees imposed by the College by the due dates, and in accordance with the payment terms, set out in the relevant schedules of fees which apply during the child's enrolment (and boarding, if applicable); and
 - (c) that School Fees are not ordinarily refundable.
- 6.4 The College's schedule of fees is not an exhaustive list of fees, charges and levies that apply during the child's enrolment (and if applicable, boarding experience). Additional fees, charges and levies may apply from time to time for certain activities and events in which the child participates (e.g. capital development levy, payroll tax levy, camps, excursions, curriculum based activities, extra-curricular activities and boarding), or for goods which the child or the child's parents purchase via the College (e.g. textbooks), and written details of these will be communicated to parents

in advance. Each parent agrees to also be jointly and severally liable for the payment of any such fees, charges or levies as and when they fall due for payment.

- 6.5 The College operates on a not-for-profit basis, and is reliant on parents meeting their financial commitments if it is to deliver a quality education for students. In the event that any School Fees (or any other fees, charges and levies) imposed by the College are not paid by the due date, or in accordance with the payment terms, which apply during the child's enrolment (and boarding, if applicable) then the College may in its absolute direction:
- (a) refuse the student and any sibling's participation in Co-curricular Activities;
 - (b) refuse or withdraw the student's place at boarding (if applicable), as well as the place of any of their siblings;
 - (c) withhold student reports and other information or documents;
 - (d) exclude the student from celebratory College events, including the College's Speech Night and valedictory;
 - (e) suspend and/or terminate the enrolment of the child and any sibling(s); and/or
 - (f) commence debt recovery action.
- 6.6 School Fees continue to apply to all enrolled students without reduction or offset during any period in which the child is enrolled, including without limitation:
- (a) any period in which the child is absent from the College or boarding facility;
 - (b) any period of approved leave of absence;
 - (c) any period of remote learning; and
 - (d) any period where a reduced boarding or educational program is agreed.
- 6.7 Each parent agrees to jointly and severally indemnify the College for all reasonable costs and disbursements (including debt recovery and legal professional costs including all fees and expenses associated with the registration and withdrawal of any caveat that may be registered on any real property owned on a full indemnity basis) incurred in recovering outstanding School Fees (or any other fees, charges and levies) imposed by the College.
- 6.8** In the event that any School Fees (or any other fees, charges and levies) imposed by the College are not paid by the due date, or in accordance with the payment terms, which apply during the child's enrolment (and boarding, if applicable) then each parent agrees to charge in favour of the College all of their right, title and interest in and to any Real Estate property in Australia in respect of which each or together they hold either a legal or equitable interest in.
- 6.9** The College may in its sole and absolute discretion charge (and each parent agrees to jointly and severally pay) an administration fee of \$150 per month on any amount of School Fees (or any other fees, charges and levies imposed by the College pursuant to these Terms and Conditions of Enrolment and Boarding) that remain unpaid for 28 days after they fall due for payment.

7 Withdrawal or Termination of Enrolment and Boarding

- 7.1 Parents acknowledge that due to the ongoing nature of a child's enrolment, the College commits considerable resources in advance of each school year based on known day school and boarding enrolments, class lists, and subject selections. Accordingly, the College requires reasonable notice of a student's withdrawal from the College (and if applicable, boarding facility), having regard to the administrative, financial, industrial and practical cost and inconvenience that the College needs to manage when a student is withdrawn (even in circumstances where the College operates a waiting list).
- 7.2 In the event that a child's enrolment is withdrawn prior to commencement, 13.75% of the annual tuition fee for that year will be payable. The same applies in respect of boarding.
- 7.3 To withdraw a child's enrolment and if applicable, place in boarding (whether on a permanent or temporary basis), the child's parents must give at least a full school term's written notice to the Principal. This means that the Principal must receive notice in writing from both of the child's parents (unless one parent has legal decision-making capability for the child) by no later than:

- (a) where the child has not commenced enrolment: on the first day of the school term immediately prior to the term where the enrolment (and boarding, if applicable) was scheduled to commence;
- (b) where the child will leave on the last day of a school term: the first day of that term;
- (c) where the child will leave the College prior to the commencement of, or during a term: the first day of the previous school term.

The notice requirements in this clause 7.3 do not apply to ELC enrolments given these automatically conclude in accordance with clause 3.2(b).

- 7.4 To withdraw a child's enrolment as a boarding student, or alter a child's status as a boarding student (whether on a permanent or temporary basis), the notice requirement in this clause 7.4 will apply in lieu of clause 7.3. The child's parents must give at least one full school term's written notice to the Principal, to reasonably enable the College to manage the significant cost and inconvenience which accompanies the nature of managing withdrawals and/or altered boarding statuses in the College's boarding facility. This means that the Principal must receive notice in writing from both of the child's parents (unless one parent has legal decision-making capability for the child) by no later than:
- (a) where the child has not commenced enrolment as a boarding student: on the first day of two school terms immediately prior to the term where boarding was scheduled to commence;
 - (b) where the child will leave the College on the last day of a school term: the first day of the previous school term;
 - (c) where the child will leave the College prior to the commencement of, or during a term: the first day of the previous two school terms.
- 7.5 The College expects that students of the female sex who are enrolled in the Early Learning Centre (**ELC**) will continue to Prep. Accordingly, ELC parents must also give at least one terms' written notice to the College prior to the last day of school term for the school year if a child is not continuing to Prep the following year.

- 7.6 If notice is not given in accordance with this clause 7, the withdrawn child's parents each agree to jointly and severally pay to the College in lieu of such notice 13.75% of the annual tuition fee (and if applicable, annual boarding fee).

Note –This includes circumstances where a child's parents fail to give the required notice that the child will not be commencing Prep the following year.

- 7.7 The College may terminate the child's enrolment (and boarding, if applicable) and the enrolment and boarding of any sibling (with or without notice) where, in the Principal's (or in relation to paragraph (a) below, the Director of Business') reasonable opinion, any of the following apply:

- (a) a parent fails to pay School Fees (or any other fees, charges and levies) imposed by the College by the due date, or in accordance with the payment terms, which apply during the child's enrolment;
- (b) a parent otherwise breaches these Terms and Conditions of Enrolment and Boarding;
- (c) the child (or one of the child's parents, or a sibling enrolled at the College) has acted inconsistently with the College's expectations as set out in its codes of conduct, directions, handbooks, policies, procedures, rules or values, or has breached a reasonable direction of the College;
- (d) the College is not satisfied it can meet the needs of the child including, for example, because the child is not benefitting from the curriculum, courses or programs provided by the College, or the child is not, in the College's reasonable opinion, school-ready or boarding-ready;
- (e) the College is not satisfied that there remains sufficient trust and confidence between the College and the child's family for an effective enrolment relationship; or
- (f) as otherwise provided for in these Terms and Conditions of Enrolment and Boarding.

- 7.8 All outstanding School Fees (and any other fees, charges and levies) imposed by the College, and any fees, charges and levies which have not yet fallen due, shall fall due and are payable immediately on the child's last day of enrolment (or boarding, whichever is sooner).

- 7.9 In the event of suspension or termination of enrolment or boarding under these Terms and Conditions of Enrolment and Boarding, there will be no refund or waiver of any School Fees (and any other fees, charges and levies) imposed by the College.

8 Change of Details

- 8.1 Each parent must immediately inform the College of any change in the child's or a parent's postal address, email address, telephone numbers, and/or family circumstances.
- 8.2 Parents must notify the College immediately of any parenting plans, parenting agreements, or orders made by a court of competent jurisdiction relevant to the child's enrolment at the College (or which the College may wish to have regard to in engaging in any conduct contemplated by this document, including contacting parents, disclosing the child's personal information, or using, publishing or broadcasting images or recordings of the child).

- 8.3 Parents agree that the College will not be obliged to change the child's name in its internal database and learning management system unless one of the following apply:
- (a) Both parents agree in writing (even where only one parent has signed the Terms and Conditions of Enrolment and Boarding).
 - (b) The College is provided an Order of the Court which permits the child's name change.
 - (c) The College believes other special circumstances exist (for example, those relating to gender identity).

9 Communication, Instructions and Emergencies

- 9.1 Parents acknowledge that the College reserves the right to communicate with both or one of the child's parents regarding the child's education (and boarding if applicable), care, safety and welfare, having regard to what the College considers, in its reasonable opinion, to be the best interests of the child.
- 9.2 Despite clause 9.1:
- (a) Any notice given by the College to any one of the child's parents will be deemed to be given to all parents. Notice can be given by email, hand, prepaid post, in the school newsletter, on the school website, or via the child (e.g. a note in the student diary).
 - (b) Similarly, should the College require instruction, authority or direction on any issue concerning the child then the College may act upon the instruction, authority or direction of any one of the child's parents and having regard to what the College considers, in its reasonable opinion, to be the best interests of the child.
 - (c) The College is entitled to expect that a parent will communicate with the other parent about any communication under this clause 9.
- 9.3 In the event of any medical or other emergency arising in respect of the child then, should the College consider it impracticable to communicate with the child's parents, each parent authorises the College to act as it considers, in its reasonable opinion, to be in the best interests of the child. Each parent agrees to jointly and severally indemnify the College in respect of any reasonable costs and expenses which the College incurs as a result of the College taking action pursuant to this clause (e.g. first aid, ambulance transport, hospitalisation and surgery).

10 Information about a Child's Needs

- 10.1 The College is an inclusive school and will comply with its statutory obligations regarding students with disabilities (including in relation to making reasonable adjustments).
- 10.2 Notwithstanding such compliance, parents acknowledge that the College is not necessarily able to cater to every prospective student's needs. The College also reserves the right to set and enforce reasonable standards of dress, appearance and behaviour.
- 10.3 Accordingly, each parent must inform the College of all relevant needs the child has (or has had) which may be relevant to the education, welfare and boarding experience of the child (or which may impact upon the education, welfare or

boarding experience of others) and provide to the College all reports, assessments and information in relation to those needs. A child's relevant needs may relate (amongst other things) to allergies, health conditions, physical or intellectual disabilities, behavioural, learning or social challenges or difficulties, learning support requirements, and needs of a medical, psychological, health or dietary nature.

- 10.4 If a parent fails to inform the College of any relevant needs in relation to the child, then the College, in its absolute discretion, may refuse to proceed with the enrolment of the child (or, if the enrolment has already commenced, immediately terminate the enrolment of the child under these Terms and Conditions of Enrolment and Boarding).
- 10.5 Each parent agrees that they will immediately inform the College should their child develop relevant needs, or should the relevant needs of the child change, either before or during the child's enrolment at the College.
- 10.6 Where a parent promptly informs the College of their child's relevant needs, or where a child's needs develop or change, then the College will discuss those needs with the child's parents as it considers appropriate and may require further information, including medical, behavioural, psychological or other reports. In accordance with its relevant procedures, the College will then assess whether it has the capacity and resources to provide a safe and fulfilling learning and boarding (if applicable) environment for that student, and, if adjustments are required to support the student, the reasonableness of those adjustments.
- 10.7 If the College subsequently considers, in its reasonable opinion and subject to its legal obligations, that the College cannot meet the relevant needs of the child then:
 - (a) the College may, in its absolute discretion, refuse to proceed with the enrolment or boarding of the child (or, if the enrolment has already commenced, may terminate the enrolment or boarding of the child without giving notice); and/or
 - (b) the child's parents may choose not to proceed with the enrolment (or, if the enrolment has already commenced, may terminate the enrolment or boarding of the child without giving notice).

11 Discipline

- 11.1 The College's codes of conduct, directions, handbooks, policies, procedures, rules and values apply to conduct of a student both inside and outside the College and its boarding facility, and whether or not the conduct is connected to school activities or occurs out of hours.
- 11.2 The College is responsible for determining when conduct of a student warrants discipline and may apply such discipline (including suspension and expulsion of a child's education, boarding or enrolment) as the College, in its absolute discretion, considers appropriate having regard to the student's conduct and the College's codes of conduct, directions, handbooks, policies, procedures, rules and values.
- 11.3 The Principal has sole discretion on whether to follow the disciplinary process in relation to conduct outside of school.
- 11.4 The College seeks to maintain an environment that is safe for all students and in which learning can take place. Parents agree that the Principal or their nominee may search a student's bag, locker, desk, boarding room or other possessions to

investigate a student discipline matter, where the College (acting reasonably) considers there are reasonable grounds to do so.

- 11.5 The College also reserves the right to suspend a student's education, boarding and/or enrolment whilst investigating a potential breach of the College's codes of conduct, directions, handbooks, policies, procedures, rules or values.
- 11.6 Parents and students are expected to respect any decisions made by the College in relation to this clause 11.

12 Loss of Property and Insurance

- 12.1 Students must care for the property of others including the College's buildings, furniture and equipment. Each parent agrees to be financially responsible (and jointly and severally indemnify the College) for any property damage caused by their child at the College or while participating in school-related activities (including boarding).
- 12.2 It is impossible for the College to implement and administer systems or processes which will adequately protect the child's personal property against all loss, damage or theft. All personal property brought by the child to the College, its boarding facility or to school-related activities is at the sole risk of the child and their parents. The College accepts no liability for loss or damage to personal property of the child, however that may occur, and the College has no responsibility to implement and administer systems or processes which may minimise or avoid such loss or damage.
- 12.3 The College does not generally insure the personal property of students and their parents and may have limited personal accident insurance involved in official College activities. It is the responsibility of each child's parents to arrange such personal accident or property insurance as they consider appropriate.

13 GST

- 13.1 Where possible the School Fees (and any other fees, charges and levies) imposed by the College will be quoted on a GST inclusive basis. If GST subsequently becomes payable in respect of any part of any fees, charges and levies imposed by the College, then the College reserves the right to increase those fees, charges and levies at any time.

14 Personal Information

- 14.1 The College handles personal information in accordance with its privacy policy, as published and amended by the College from time to time. Each parent agrees that they have read and understood the privacy policy. The College's *Privacy Policy* is available on the College's website.
- 14.2 Each parent acknowledges that:
 - (a) the College often photographs, videos, films, records and livestreams students (collectively referred to as '**images**') as part of everyday school-related activities and events. This is done in relation to a variety of educational and cocurricular programs such as school photos, classroom activities, sport, camps, performances and more. Images are recorded for a variety of reasons and may be used across a range of print and digital mediums;
 - (b) unless the College is advised otherwise in writing, each parent authorises the College to photograph or record their child (and the parent when

attending school-related activities) and to use, publish or broadcast such images or video recordings and his/her/their name(s) for all school-related purposes (including without limitation classroom displays, boarding events, team photos, award evenings, school productions (e.g. drama and music), magazines and newsletters, official posts on the College website or social media pages, and any websites on which a school event is broadcast or live streamed); and

- (c) consent can be withdrawn in accordance with the College's consent process as set out in the College's Privacy Policy.

Please note that even when authorisation is withheld then incidental, internal or unintentional use of images and recordings featuring the child or parent may still occur from time to time (particularly when a parent or child attends a photographed or recorded school-related activity or event).

Withdrawal of consent may also impact the student's participation in certain activities or events.

- 14.3 In accordance with the information sharing scheme, the College may also collect personal information, including sensitive information about prospective students and their parents as part of the enrolment and boarding process, and parents understand:

- (a) this may involve the College making enquiries and obtaining information from third parties such as credit providers, medical practitioners, government departments, and financiers;
- (b) the College may use any information obtained as deemed necessary; and
- (c) the College may disclose information obtained to an interested person (including overseas third parties) for administrative and educational purposes, to the extent permitted by law, including with regard to the *Privacy Act 1988* (Cth) and the Australian Privacy Principles (if applicable).

15 Circumstances Outside the College's Control

- 15.1 Where a school campus or facility becomes unavailable for any reason, including but not limited to as a consequence of flood, fire, natural disaster, epidemic, pandemic or other outbreak of illness, the College may require the child to attend an alternative campus or facility, or participate in online learning. The inability of the College to provide the child with access to any particular campus, facility or service shall not entitle the parents to any rebate or waiver of School Fees except at the sole discretion of the College.

- 15.2 The College is otherwise not liable to parents for any failure to perform an obligation under these Terms and Conditions of Enrolment and Boarding, provided that the College has made all reasonable efforts to minimise the effects such events may have on the performance of its obligations, to the extent that such failure is caused by or due to an act or circumstance which:

- (a) is beyond the reasonable control of the College; and
- (b) makes performance of that obligation impossible (e.g. act of god, pandemic, natural disaster, or act of terrorism).

16 General

- 16.1 Please note that while compliance by the child and their parents with these Terms and Conditions of Enrolment and Boarding is required, the College's codes of conduct, directions, handbooks, policies, procedures, rules and values do not form part of these Terms and Conditions of Enrolment and Boarding.
- 16.2 If a provision in these Terms and Conditions of Enrolment and Boarding is held to be illegal, invalid, void, voidable or unenforceable:
- (a) that provision must be read down to the extent necessary to ensure that it is not illegal, invalid, void, voidable or unenforceable; and
 - (b) if it is not possible to read down a provision as required in this clause, that provision is severable without affecting the validity or enforceability of the remaining part of that provision or the other provisions in these Terms and Conditions of Enrolment and Boarding.
- 16.3 These Terms and Conditions of Enrolment and Boarding will be governed by the laws in force in the State of Victoria.
- 16.4 A child's parents agree that:
- (a) the College will not be liable to any of the parents for any personal illness or injury, or indirect or consequential loss (including, but limited to, hurt, humiliation, distress and disappointment, or damage to reputation), or any loss of profit, suffered by a parent arising out of a breach by the College of these Terms and Conditions of Enrolment and Boarding;
 - (b) a parent will not be entitled to set off against or deduct from the School Fees (or any other fees, charges and levies) imposed by the College, any amount owed or claimed to be owed to that parent by the College; and
 - (c) a parent will not be entitled to withhold an amount of any outstanding School Fees (or any other fees, charges and levies) imposed by the College, because part of that amount is disputed by the parent.
- 16.5 To the extent permitted by law, parents hereby release and forever discharge the College (and its principals, agents, employees, trainers, contractors and volunteers) from any and all claims, demands, actions, suits, allegations, losses, damages, costs, interest and expenses of whatsoever kind which may arise out of or incidental to a child's personal illness or injury sustained during the course of the child's education or enrolment, except to the extent that any significant personal illness or injury is caused by the negligent or reckless conduct of the one of those released and discharged. For the avoidance of doubt, the exception in this clause does not create a legal right in favour of the parents.
- 16.6 Nothing in these Terms and Conditions of Enrolment and Boarding is intended to have the effect of contracting out of any applicable provisions of the Australian Consumer Law, except to the extent permitted by that law.
