

CURTIN UNIREADY

2025

Overview

UniReady in Schools

The UniReady in Schools Program is an academic program designed to prepare students for successful entry into higher education. The program offers a pathway into university by providing students with essential skills and knowledge required for university-level studies.

Overview

UniReady at Trinity is offered in Yr 12. It runs like any other subject in that it is 5 periods a week. Students complete 4 units as required over the year.

Structure

Course Structure:

4 units must be completed and passed

2 Core Units & 2 Optional Units

Core: Fundamentals of Academic Writing & Foundations of Communications

Optional: Introduction to Commerce & Introduction to Health Science

Curtin Uni

In essence Trinity College offers the Curtin stipulated courses and their content while Curtin oversees the assessments and results. The units are designed so students can complete the course externally.

Students need to access the Curtin portal – Blackboard in order to access content submit assessments & obtain results. Students are enrolled Curtin University students and have access to Curtin facilities

[Unit Schedule](#)

[Unit Outline](#) A↓
This folder contains important information about this unit, including learning outcomes and details about your assessments. You should read through the information in this folder thoroughly before you begin your studies.

[Fundamentals of Academic Writing Assessments](#) A↓
Within this folder you will find assessment information, instructions and submission points.

[Topic 1](#) A↓
Topic 1: Optimising Your Learning and Studying Style

Assessments & AI

Assessments are typically submitted through Turnitin. They are checked through a similarity report and Turnitin AI detector.

The **ONLY** AI source students can use is their Curtin approved version of Grammarly.

Students are bound by Curtin University assessment procedures.

Successful completion of the 4 units

Upon passing the 4 units you will gain a notional ATAR of 70 with literacy requirements met. Other universities recognise the UniReady program.

Take the opportunity !

Observations

~PLUS: boys are exposed to Uni expectations – referencing, plagiarism, essay structure, academic integrity, use of blackboard

~NEGATIVE: course is not for everyone, components are challenging. Is 0,1 or 2 ATAR & UniReady adequate rigour to prepare for Uni?
