PSA announcement to community regarding Term 1 sport

Dear PSA Community,

In light of recent COVID-19 developments, PSA member schools have met to consider the impact on Term 1 Sport. While the committee acknowledges the many benefits the association brings to our students, as always, the health, safety and wellbeing of our schools and wider community is of critical importance.

With those in mind, the next round of fixtures, including the rowing regatta, that were scheduled from Thursday 4 February through to Saturday 6 February, involving Years 5 to 12 students will be postponed pending possible rescheduling depending on government policy and guidelines.

The PSA will continue to refer and adhere to Government directives as we look to return to our summer sport activities.

While the association consists of seven schools, we are one community and will continue to work together to achieve the best outcomes for all members.

We thank everyone for their understanding and support through this period.
