

TO: All Parents
FROM: The Principal
SUBJECT: COVID-19 Lockdown
DATE: Sunday, 31 January 2021

Dear Parents and Students,

I hope this message finds all members of our College community safe and well.

I write to inform you that due to this afternoon's announcement by the State Government and the Health Department of Western Australia of a five-day Covid-19 Lockdown, Trinity College will not be open to our Students or our Staff throughout this week. The College will continue to monitor relevant health advice over the coming days, but I wish to outline the following directions for this week.

- As directed by the State Government, Trinity College will be closed to all Students and all Staff for the week commencing Monday 1 February up to and including Friday, 5 February 2021
- Pending further health advice and formal confirmation, we plan to commence the Academic year on Monday, 8 February. All students (Year 4 -12) will commence at this time and further details will be forwarded throughout the week detailing this commencement.
- All students in the Secondary School should use this week to begin preparations for the academic year ahead. From Tuesday morning, 2 February, all students in Year 8 -12 are required to utilise SEQTA to access their individual Timetable and visit the 'Today' tab for each of their Subjects and Courses in order to complete the following:
 - Become familiarised with aspects of the particular Subject/Course Outline
 - Complete the Weekly Task/s as directed by the Class Teacher.
- Year 7 students do not have full access to SEQTA and will be sent some Weekly Task/s via other communications.
- All students in the Junior School are encouraged to focus on their personal reading this week.
- The College Community Mass scheduled for Sunday, 7 February has been postponed.

The College will continue to monitor government directives, relevant health advice and information from Catholic Education Western Australia (CEWA) to ensure that our College responds appropriately while ensuring the welfare and safety of everyone in our community. Further communication will be sent to families as required. If you have any further queries, please direct them to Mr Darren O'Neill, Principal at oneill.darren@trinity.wa.edu.au.

Thank you for your ongoing support and please keep safe.

Yours sincerely

Mr Darren O'Neill
Principal
