

PARTICIPANT PROFILE

Luca Toonson

Luca completed his Bronze award in January 2024, he then continued with his Silver award. Through hard work and commitment, he completed the Silver award in May 2025.

ADVENTUROUS JOURNEYS

Litchfield and Yurmikmik Camps

As part of Stage 2 Outdoor Education, Luca completed two outdoor journeys. On the first journey to Litchfield, he refined camping skills to assist in longer trips. For the Qualifying journey, he hiked in the Yurmikmik region of Kakadu, where he was fully self-sufficient and led the group at times, learning a lot from the experience. He enjoyed working with the group despite a couple of setbacks.

PHYSICAL RECREATION

Swimming

Luca is an avid swimmer, who spends a considerable amount of hours in the pool each week. He assessor commented that he has shown great commitment to achieving his goal. In doing so he has had to overcome many obstacles.

SKILL

Hot Wheels Car Collecting

Luca has a real passion for collecting rare and interesting Hot Wheels cars. He spends time researching and looking for particular models to add to his collection.

SERVICE/VOLUNTEERING

Community Garden

Luca volunteers at a community where he assists with maintaining the garden and doing other jobs as directed. He has shown dedication and enthusiasm in his role and gained valuable knowledge in this area. His assessor stated that he is an engaged and hard-working member of the community who works well with other members and the public. They stated it has been a privilege to work alongside him and watch him engage and interact with the community.
