Subject: 2026 Co-curricular Activities Sign-Up

Dear Parents and Guardians,

Toowoomba Grammar School (TGS) has a proud tradition of encouraging students to engage with multiple co-curricular pursuits. Each school term students in Years 5 to 12 have the opportunity to participate in TGS co-curricular activities, including GPS Sport and various TGS clubs and activities. Students in Prep to Year 4 also have a range of sports and activities available to them as part of the Junior School Enrichment Program and Club Sport Program.

TGS co-curricular information is managed within Clipboard, an online management system designed specifically for schools. Parents have two options to view Clipboard information: Clipboard for Parents website or the TGS App. Our Clipboard platform feeds information into the TGS App so information on both platforms will be the same, it will be personal preference which one you use:

- [Clipboard for Parents website](#)
- TGS App - within the TGS App, information will be under the 'Sports, The Arts & Activities' function. *Please note, co-curricular sign-ups are unable to be done through the TGS App.*

How to sign up for a 2026 co-curricular activity:

- **GPS Sports and Activities** -> [Clipboard for Parents website](#)
 - Deadlines:
 - Term 1 – 05/01/2026 (Cricket, Debating, Swimming, Volleyball)
 - Term 2 – 03/04/2026 (Cross Country, Football, Tennis)
 - Term 3 – 11/05/2026 (Basketball, Chess, Rugby)
 - Term 4 – 11/05/2026 (Track & Field)
- **Senior School Clubs and Activities** -> [Clipboard for Parents website](#)
 - Deadline: 09/02/2025
 - Please note, sign-ups for Mountain Biking Club will open in 2026
- **Performing Arts** -> forms linked below:
 - [2026 Music Tuition Enrolment Form – Junior School](#)
 - [2026 Music Tuition Enrolment Form – Senior School](#)
 - [2026 Music Ensemble Enrolment Form – Senior School](#)
 - [2026 TiGAA Enrolment Form – Senior School](#)

Junior School and Senior School Boys who are enrolled in Music Tuition and/or Ensembles in Term 4, 2025, do not need to re-enrol for 2026, enrolments will automatically be carried over. Information about the Junior School Ensembles can be found [here](#). Boys who are interested in joining a Junior School ensemble are encouraged to attend the first schedule ensemble rehearsal. The 2026 Ensemble Rehearsal Schedule will be released by the Junior School at the commencement of Term 1.

- **P-12 Club Sport** -> registration information will be released from the Heads of Sport when available.
- **Junior School Enrichment Program** -> registration information will be released from the Junior School at the start of each term.

Important Information:

- GPS Sport: Boys can only select one of either Cricket or Volleyball in Term 1, one of either Football or Tennis in Term 2 and one of either Basketball or Rugby in Term 3, due to the clash with Saturday game times. However, students can choose the following GPS Sports and Activities in addition to their chosen Saturday Sport:
 - Term 1 - Debating and Swimming
 - Term 2 – Cross Country
 - Term 3 - Chess
- For GPS Championship sports, including Swimming*, Cross Country and Track and Field, training is open to all boys who sign up; however, the GPS Championships team will be selected based on times. Your son may be called upon to represent the Blue and Gold at the GPS Championships even if he does not sign up to training. Our aim will be to have as many boys as we can, as well as our fastest boys, participate in these Championships.
 - *Please note, boys in Years 4, 5 and 6 in 2025 wishing to attend GPS swimming training must be competent and confident swimmers, able to swim 50 metres.
- Sign-ups for Senior School Clubs and Activities will be for the entire year. Our clubs and activities coordinators will confirm with registered boys if they are able to participate at the start of each term. Charges to students will apply for certain clubs and activities.
- **Once a student has signed up for a sport or activity it is expected that they will be committed to each training session and fixture throughout the season.** Only in exceptional circumstances may a boy change his chosen sport/activity mid-season, excluding changing to rugby due to mandatory confidence in contact training session requirements, or be unavailable for Friday/Saturday games. Parents are asked to make direct contact with the relevant Director or Head of Sport in such cases.

Please refer to the following attachments for further co-curricular activity information:
