David JANETZKI MP
MEMBER FOR TOOWOOMBA SOUTH

Treasurer
Minister for Energy
Minister for Home Ownership

To Whom It May Concern

I understand that the Toowoomba Grammar School has submitted a funding application to support their proposal to manage the Rugby Heritage Cup in 2027.

The school is committed to delivering a quality event that will provide many benefits to rugby, Toowoomba and Queensland.

This event will attract teams, supporters and visitors globally with the potential they extend their stay in Australia to experience the men's Rugby World Cup.

Additionally, the event will support youth participation and development pathways.

I fully support any application for funding and trust that it is viewed favourably.

If you have any further questions, please do not hesitate to contact my office.

Yours sincerely,

David Janetzki MP
