Dear Dr. Kinniburgh

Rugby Heritage Cup 2027

I am writing on behalf of Rugby Australia to recognise and endorse the proposal from Toowoomba Grammar School to manage the Rugby Heritage Cup in 2027. We have complete confidence in your commitment to delivering a quality event that will have great reputational benefits to rugby, Toowoomba and Queensland.

We anticipate this event will strengthen global rugby connections through the attraction of teams, supporters and visitors from all over the world. We hope to see all involved in the Rugby Heritage Cup extend their stay in Australia to experience the men's Rugby World Cup, an event that rivals any on a global scale.

Finally, congratulations on taking the initiative to host this terrific event that supports youth participation and development pathways. I trust all will have a positive experience and we look forward to working with event organisers and Queensland Rugby Union to ensure successful delivery of the event.

Kind Regards

Michael Procajlo
