Australia's
Biggest
Morning
Tea

TLC Community Association invites mothers and special friends of Secondary students to join them for an evening of craft, canapes, prizes, and of course wine. Each attendee will get the opportunity to create their own polymer clay earrings to take home, as well as a surprise gift.

Tickets cost \$45 per person, and bookings are essential. Please purchase your tickets via the link below before Tuesday 7 May.

Our Culinary Club led by our own MasterChef, Ben Milbourne, will be preparing delicious platters for the evening. All funds raised from the event will go towards the Cancer Council, as we will be hosting this as an Australia's Biggest Morning Tea function. We encourage you to wear a 'touch of lemon & white' as part of our fundraiser, but this is not mandatory.

Note: this is an 18+ ADULT only event.
