Louis Vuitton

D.O.B 4/8/1821
D.O.D 27/2/1892

Introduction

I don't think Louis, who was known as the greatest designer in Paris, for his handbags and trunks, was a fashion designer. I chose Louis Vuitton because he was a fashion designer and I want to be a fashion designer when I grow up. What made him so famous is not exactly him but the brand and I just regard the founder or maker of Louis Vuitton and it came up with him of course. When I saw the old photos of a long time ago in Paris about Louis Vuitton I got very interested. But his skill was designing things of art.

Work and Achievements

His biggest achievement was probably when he won a bronze medal at the Exposition Universelle, an international exhibition organized by Napoleon in 1857 and in 1889 I was honored with a gold medal and the grand prize at the Exposition Universelle. He was taken in apprentice in a workshop with Monsieur Marechal, he was a successful bag, make and pocket book. Then in the 19th century his making was highly respected.

Early Life

Louis Vuitton was born on August 27, 1821, in Aumale. He was in a working class family. Napoleon's successors were priests, carpenters, farmers and millers. His father, Xavier Vuitton, was a farmer, and his mother, Catherine Guillouard, was a milliner. His Mother passed away when he was 10 and his father was after successful a watch and had that when he died.

Louis Vuitton was a kind guy, he was the maker and founder of Louis Vuitton Legend among all Fashion.

Opinions of others

I think Louis Vuitton is very popular. His achievement when he was awarded with a gold medal and a bronze medal. Looking at people's opinion on him to very good, maybe great like.

1821: Louis Vuitton was born on August 27, 1821.

1837: At the age of 16, he took an apprenticeship in the manufacture of handbags, trunks, suitcases and pocket books in Aumale.

1857: At the age of 36, he arrived in Paris as a capital city and he took a job in the manufacture of handbags, trunks, suitcases and pocket books in Aumale.

1857: He was awarded with a gold medal and the grand prize at the Exposition Universelle.

1867: He was awarded with a gold medal and the grand prize at the Exposition Universelle.

1875: He was awarded with a gold medal and the grand prize at the Exposition Universelle.

BOARDING AT PENINSULA GRAMMAR

INTRODUCTION

Jaffray House was originally established in 1964 in what is today the School's Student Services Building. It moved to its present location at the southern end of the School property in 1971. The House endeavours to promote a personal approach and for that reason the accommodation has been restricted to a maximum of 50 boys ranging from Year 7 - 12.

Male boarders are housed in three buildings. There is a two-storey block which accommodates 33 boys and two separate single blocks which accommodates a further 17 boys. All rooms are carpeted and each student is provided with a bed, study desk, chair, wardrobe/cupboard and a combination safe in their room. All rooms have heating. The single blocks have a bathroom - toilet/shower facility located within each building and the two-storey block is serviced by a separate bathroom - toilet/shower complex. The main building consists of a large common/dining room as well as a laundry room and Supervisor's office. There is also a recreation room with a TV, table tennis and pool tables and other various activities available.

STUDENT EXPECTATIONS

We aim to provide the best possible environment for students to succeed at Peninsula Grammar. To succeed means to embrace all that the School has to offer. High expectations exist for students to achieve very well academically and to participate in a range of school activities.

Students will be required to respect the needs of fellow students to study effectively without unnecessary interruptions. A very clear expectation of study time, recreation time and time for sleep is outlined in the daily and weekend routine guide at the end of this handbook.

To achieve the best results academically, a student needs to have a minimum of eight to nine hours sleep each night. Students are required to remain in their own rooms at night time. All students must utilise their time well and balance work and study commitments. Sleep at night time and full engagement in the daytime academic program is insisted upon.

Computer use ceases at 9.30pm for students in Year 7 – 9 and at 10:00pm for students in Year 10 - 12. Reading of English books or final written study is encouraged from this time onwards. Students who disrupt others will have phones or computers taken from them and/or lose leave privileges.

Parents are reminded to please ensure their son has only one phone and one laptop computer.

END OF TERM HOLIDAYS

The Boarding House is not open during holiday time. Students are expected to spend vacation time with their parents, relatives or approved family friend. Alternatively, the School can arrange limited homestay during holiday times if necessary. Note – Year 12 students are accommodated in the Boarding House for the week of the VCE Trial Exams during the September holidays.

Year 12 students leave the Boarding House at the end of their VCE exams unless prior arrangements are made.

Please note that all students are required to remain at school until the final day of their specific year level, or at the end of each term, and must return the day prior to the commencement of each term. Boarders will not be given permission to leave early. Please make your child's flight bookings early as flights become heavily booked at the end of each term. Term dates can be found on the School's website www.peninsulagrammar.vic.edu.au.

PASSPORTS AND VISA

Whilst Peninsula Grammar will be happy to assist with the renewal of your son's visa if necessary, you and your son are responsible for ensuring that his passport and visa are valid and current for the duration of his study at Peninsula Grammar. Failure to do so means that the Department of Immigration, Local Government and Ethnic Affairs has the right to subject your son to the arrest and detention process.

OVERSEAS STUDENT HEALTH COVER (OSHC)

Before your son's arrival in Australia, he is required by the Commonwealth of Australia to have Overseas Student Health Cover for the duration of his visa. This will be arranged through the School upon confirmation of enrolment. Once the OSHC subscription has been paid, a membership card will be sent to the School. The School's Health Centre will keep the card on file and will arrange for the reimbursement of any approved medical claim. Please note that OSHC does not always cover 100 percent of the cost of a visit to a doctor/medical facility. Any extra payment will be the responsibility of the student.

OSHC is for basic medical and hospital cover and emergency ambulance. It does not cover such things as dental, optical, physiotherapy etc. Extra cover is available for these services. Please contact the OSHC provider directly for further information and cost of additional cover.

CLAIMS FOR THE COST OF MEDICAL TREATMENT

There are two ways in which your son can claim medical treatment costs from OSHC:

- If he is seen by the School doctor, the doctor will charge the OSHC provider directly. Any difference between the OSHC refund and the doctor's charge must be paid by the student
- If he is seen by a doctor outside of the School, your son will have to pay the doctor's account first and obtain a receipt from the doctor. Your son will then give the receipt to the School Health Centre who will process the claim to obtain any eligible refund.

Students are not encouraged to bring their own medication from home. Any medication they do bring must be seen by the School Health Centre nurse and then given directly to the Head of Boarding for safe-keeping and administration.

In the event of illness or injury, the School Health Centre nurse may give permission for your son:

- to miss school sporting activities or other school events
- make an approved doctor, dental, physio or other medical specialist appointment.

SCHOOL COUNSELLORS

The School has three counsellors available for student appointments throughout the School week. Any student may request to see a counsellor via the School Health Centre. A staff member may also request that a student is seen by the School counsellor.

TRANSPORT

Peninsula Grammar is situated in the suburb of Mount Eliza which is 55 kilometres southeast of Melbourne. A regular train service runs from Frankston (a suburb located seven kilometres from the School) to Melbourne. There is also a regular bus or taxi service from Mount Eliza to Frankston.

PUBLIC TRANSPORT ZONES

The Melbourne metropolitan transport service system is divided into two zones. Zones radiate from the central business district of Melbourne over various distances. Public transport operates using a card system called Myki.

Please note that travel concession cards are not available for overseas students who hold an International Student Visa and are aged 17 years and over. Students over 17 years must select the full fare ticket on Myki before using public transport. It is illegal to travel on public transport without a valid ticket for the zone, date and period of travel. Train inspectors and Police travel on the trains and will issue substantial fines for anyone caught without the appropriate ticket. Fines are also issued for such offences as putting feet on seats, vandalism and consuming alcohol on public transport. Students should familiarise themselves with the rules and regulations that apply to travel on all public transport.

TELEPHONE

MOBILES

Mobile phones can be used in the Boarding House before school when all morning pre-departure duties are completed. This is usually between 8:00am – 8:25am and after school from 3:40pm – 9:30pm. Phones are not permitted during study time, 7:00pm – 8:30pm Sunday to Thursday.

Students who take mobile phones to school must store them securely throughout the day. Rules regarding student use of mobile phones throughout the day vary according to which learning area the student is in. Students need to refer to the appropriate handbook which is published each year with up-to-date information pertaining to specific year levels.

BANK ACCOUNT

New students are strongly advised to open a bank account within the first month of arrival in Australia. The School can provide assistance to open a bank account. Peninsula Grammar's preferred bank is National Australia Bank (NAB).

To open an account, banks use a 'points system' as a security check. Before being permitted to open an account, you will need identification documents such as your passport and/or any other form of identification approved by the bank.

BOARDER REQUIREMENTS

The School uniform must be worn according to regulations and all purchases are to be made from the School Uniform Shop.

- A Peninsula Grammar bag/backpack
- The School sports uniform and the School sports bag. The sports uniform will depend on the sport selected. Sports uniform must be worn according to the regulations

- Towels
- Pyjamas
- Slippers/Flip flops
- Underwear
- Casual Shoes
- Bathroom products
- Warm Jumper
- Umbrella

All items must be clearly and permanently marked with the student's name and must be in good condition at the start of each term.

Please note; the Boarding House provides pillows, pillowcases and sheets and can provide bed quilts if required.

ADJUSTING TO YOUR NEW ENVIRONMENT

When you first arrive in Mount Eliza you may experience a lot of different emotions as you adjust to your new environment. This is perfectly normal, you do not need to worry. We have a network of pastoral support staff who provide nurturing positive relationships between students, teachers and parents. Our pastoral team include the School Chaplain, school counsellors, careers advisers, medical staff, special education teachers and our Boarding House supervisors.

It is important for all students to feel a strong sense of security and connectedness within the School community. Making new friends and taking an active part in school sports and co-curricular activities is a great way to help you to settle down and adjust to life at your new school.

Our pastoral team has a good understanding and appreciation of what each student needs both educationally and socially and are here to encourage, help and support you during your time at Peninsula Grammar.

SOCIAL CUSTOMS

In Australia it is common practice to thank someone for the smallest deeds. For example, when someone gives you something or does something for you, it is common courtesy to say, 'thank you'. The domestic and cooking staff at the Boarding House are not servants and it would be very impolite not to say 'hello' and 'thank you' to them. It is also common practice to look someone in the eye when you are talking to them.

GENERAL INFORMATION FOR BOARDERS

MEALS AND DINING ROOM

On school weekdays, breakfast and dinner are provided at the Boarding House and lunch is provided in the School Commons cafeteria. On weekends, breakfast, lunch and dinner are provided at the Boarding House. No student is allowed to be absent from a meal unless they have permission. Permission is not normally granted on a weekday.

Students are to wear their school uniform to breakfast on school weekdays. Casual dress is permitted for evening and weekend meals (neat casual clothes and footwear must be worn). At official events, the appropriate suitable formal attire or the School uniform is to be worn. Table manners are to be of a high standard. Parents should note that no phone calls will be accepted during regular meal times.

A weekly duty roster is prepared by the Head of the Boarding House. Student duty groups are allocated to various tasks, for example, assisting with setting, clearing and servicing of tables at meal times.

ROOMS

All rooms are carpeted and each student is provided with a bed, study desk, chair, wardrobe/cupboard and a combination safe in their room. All rooms have heating.

Students are responsible for the ordinary cleanliness and tidiness of their rooms as well as care of its facilities. Maltreatment will result in the repair costs being charged to the student. The cleaning staff vacuum and dust the rooms each school weekday.

VALUABLES

It is essential that students do not leave valuables lying around and that they use the lockable safe in their rooms to keep their possessions secure or alternatively give them to the Supervisor to be placed in the office safe.

As an additional safety precaution, passports are given to the Head of the Boarding House on arrival and are kept in a locked safe in the Supervisor's office until they are required for travel.

INSURANCE

The School's insurance policies do not cover the loss of a boarder's private property. We therefore strongly recommend that personal property and specific items such as mobile phones, computers, audio equipment and bicycles are covered by insurance obtained privately by parents for each student.

LAUNDRY

Provision is made for students to use the Boarding House laundry which includes automatic washing machines, tumble dryers and ironing facilities. Instruction in their use is provided. If students have garments that require dry-cleaning there is an external dry-cleaning service available in Mt Eliza. The cost for dry-cleaning will be paid by the student.

All clothes need to be clearly marked with a name tag, indelible pen or marker. Names should also be on belts and shoes. This helps each student to manage their own belongings and avoid loss of items.

An external laundry service company provides clean bed linen to Jaffray House Boarding students each week

MUSIC PLAYERS AND COMPUTERS

Students may have their own music devices, but no private television sets. Laptop computers are part of the School curriculum. Students are not to have multiple phones or laptop computers.

ELECTRICAL APPLIANCES

Hairdryers and electric alarm clocks are permitted.

- NO electrical cooking appliances are allowed
- NO portable electric heaters are allowed
- NO electric blankets are allowed
- NO personal TVs are allowed
- NO electrical fairy lights are permitted in rooms.

All electrical items will be tested and tagged according to Australian stands 9AS 3760.

BICYCLES

Bicycles are a convenient means of transport around the area. A bicycle safety helmet, bicycle lock and private insurance are essential. Students are reminded that cyclists using public roads in Australia must comply with the road rules and are required by law to wear an approved bicycle safety helmet. Significant fines apply to students who are caught cycling without wearing a helmet and not complying with the road rules.

SPORT/RECREATION

It is a condition of entry to Peninsula Grammar that all students participate in the compulsory sport program. This normally involves one after school training session each week, matches are played Friday after school or on Saturday mornings.

In addition to our extensive school grounds and sporting facilities, the Boarding House attempts to cater for recreational needs. Television, DVD player, billiards and table tennis tables are available. We also have several social activities and outings during the year. Under the supervision of the Boarding House Supervisors, we make use of the School's tennis courts, gymnasium and our swimming pools (in compliance with our Recreational Swimming Policy).

Compulsory recreational weekend activities take place each term. No weekend leave will be granted on those weekends and all students will be required to participate in the activities.

SMOKING

Tobacco use is strictly forbidden anywhere on the School grounds, including in the Boarding House. No student is permitted to have in their possession cigarettes, matches or tobacco, or to smoke in the School or on the School grounds, at school functions or while wearing the School uniform. Parents will be notified immediately of any tobacco use. A breach of this rule is a serious matter and will result in disciplinary action being taken. Repeat offenders will be asked to leave the Boarding House and possibly the School.

ALCOHOL

Alcohol use is strictly forbidden in the Boarding House. No student is permitted to have alcohol in their possession, or drink alcohol in the School or on the School grounds, at school functions while wearing the School uniform, or in any circumstance that are liable to bring the School into disrepute. A breach of this rule is a serious matter and will result in disciplinary action being taken. Repeat offenders will be asked to leave the Boarding House and possibly the School.

CARS

No boarder is permitted to have a car parked or garaged at the School. No boarder will be permitted to travel in a car driven by another boarder without the express permission of the Boarding House Supervisor. Boarders holding an overseas driver's licence who wish to drive on Victorian roads should first clarify whether they are legally entitled to do so. They should also ensure that the car they are driving is fully insured for property damage and personal injury.

SCHOOL CHAPEL

All students have the opportunity to attend weekly Sunday services at the local parish Church of St. James the Less which is located across the road from Peninsula Grammar. Secondary students who are not already confirmed members of the Anglican Church of Australia may, with their parents' consent, be prepared for confirmation by the School Chaplain.

FIRE ALARMS AND FIRE SAFETY

We ensure our boarders are familiar with our fire safety measures as follows:

- fire drills are practiced in the Boarding House once per term at different times of the day
- escape routes through the Boarding House are clearly signed and illuminated with emergency lighting
- students are walked through the Boarding House escape routes at the beginning of each term
- smoke detectors are located in student rooms and throughout the Boarding House
- room name lists are located at fire exits for checking students
- checks on fire hydrants and alarms are done on a regular basis
- students are not permitted to have candles or incense sticks in their rooms
- students are given clear instruction not to squirt or spray aerosols at any smoke detector as this can set off the alarm.
