TRAVEL CONDITIONS

Please read these conditions and acknowledge your acceptance of these conditions by signing below.

The RGS Emu Park Bus Service caters to RGS students who are booked in advance to use the service. Once a child is registered and booked, a seat is allocated, and becomes unavailable to other students.

In order to maintain the schedule, students must be at their bus stop, ready, five minutes prior to the scheduled time. The bus cannot wait for students who are not at their designated stop. Traffic, road conditions and other circumstances may influence bus schedules, however, the School will make every effort to keep to the listed pick up/drop off times.

Students in Prep–Year 6 will only be dropped off at the bus stop selected when the booking is made. Variations to pick up/drop off stops must be advised to the Transport Co-ordinator (for afternoon drop offs prior to 2.30pm on the day) by phoning 0437 532 773. If you indicate on this form that you will be waiting at the bus stop to collect your child and you are not there, the child will not disembark the bus. The driver will attempt to contact the nominated parent/carer listed on this form to arrange collection. If the child is not picked up by an authorised person (parent or nominated caregiver), the child will remain on the bus and may be returned to the School's After School Hours Care facility for your collection (additional costs apply). Students in Secondary School (Years 7 - 12) will be dropped at the bus stop of their choice.

Prep students – To prioritise the safety and wellbeing of our youngest learners, Prep students are not permitted to use the school bus service during Term 1. This adjustment allows them time to settle into the school environment and establish their routines. However, if your child has an older sibling traveling with them, they may access the RGS bus service from the beginning of the year.

Fees - Fees are \$5.10 per trip and are managed by the parent/carer via the RollCall system. Please note that the Rockonia Road stop (Stop 9E) will be charged at \$3.00 per trip.
