

ENRICH - LEADER - CHAMPION - STRENGTHEN - EMPOWER - GROW

Please find below your child's stationery requirements for 2021.

All items required by your child will need to be sourced by families from local suppliers, ready for the beginning of the 2021 school year. You have the opportunity to purchase all, some or none of the items listed, keeping in mind however, that all items are required for students to be adequately equipped for each subject

NOTE – Year 10 students who are taking one or more VCE, VET or VCAL subjects in 2021, should also consult the Year 11/12 Stationery List to see required materials for those subjects.

All books should be **covered and clearly labelled** with your child's name, year level and subject. As far as possible all other items should also be clearly labelled.

ITEM	QTY

Highlighter Pen	2

The **Resource Smart Team** would like to offer our students some 'environmentally-friendly' tips for purchasing materials for the upcoming school year.

- Please think about whether you could use books from last year, that are less than half full.
- When purchasing materials look out for the FSC logo which minimises the use of products sourced from unsustainable forest practices.
- When you are finished with your exercise books please use recycle bins in order to convert waste from landfill, but make sure that you detach covers with adhesive plastic coverings.
- Try to purchase these 128-page Recycled A4 exercise books from Officeworks (of equivalent price to the 128-page Studymate Non-Recycled A4 exercise books)
<https://www.officeworks.com.au/shop/officeworks/p/studymate-a4-70gsm-8mm-ruled-recycled-exercise-book-128-page-smreceb128>
- Consider replacing adhesive plastic contact with these plastic covers, which can be easily reused every year
