Principal's Message

As Principal, I am grateful to serve this incredible community and work in partnership with our amazing students, families, dedicated teachers and staff. Together, we continue to build on Victory's outstanding reputation as one of Albury Wodonga's leading educational providers.

As both a father and Principal, I understand the importance of choosing the right school for your child. It is a decision that will shape your child's future. At Victory, everything we do, from your child's first day in Foundation to their final day in Year 12, is centred around supporting your child's growth and success.

Victory is a vibrant learning community where every student is recognised as an individual with their unique dreams, talents and personality. Our aim is to inspire and empower your child to confidently shape their future to thrive in an ever-evolving world.

We believe in the transformative power of learning. Where education is not just about acquiring knowledge but using learning to make a positive difference in the world. Our Christian values guide us in developing empathy and compassion, encouraging our students to put their faith into action and serve others.

We want to nurture the adventure of learning. Our curriculum is rigorous and innovative to prepare students for the future challenges and opportunities they will face. By building confident learners, students are not afraid to take risks and can explore their ideas with creativity and passion.

Our students are at the heart of everything we do. Our staff invest time in building meaningful relationships with students, getting to know their strengths, challenges and aspirations. This personal connection helps us create a safe, positive and caring learning environment where every student feels valued and supported.

Our learning facilities are designed to support flexibility, collaboration and creativity. With dynamic spaces that cater to a variety of teaching methods and learning styles, students take ownership of their learning, engage deeply with content and work together to solve real-world problems.

I encourage you to book a tour and experience firsthand what makes Victory so special.

I look forward to meeting with you.

Mr Brad Moss
Principal

Welcome to Victory Lutheran College

It was the vision and energy of the Wodonga Lutheran Parish and our founding families to forge a new Primary school which opened in 1992 with just 39 students.

From these humble beginnings, Victory expanded into Secondary education in 2004 and has flourished into a thriving Foundation to Year 12 community that celebrates growth, achievement and community spirit.

Our aim is to provide an education that encourages strength of character which challenges each child to strive for their personal best.

By nurturing curiosity, resilience and self-belief, Victory empowers students to discover their unique strengths and to confidently pursue their chosen career pathway.

*"The means
by which we
achieve Victory
is as important as
the Victory itself."*

BRANDON SANDERSON

We aim to provide our students with the skills, capabilities and knowledge for today, tomorrow and the future.

Our College Values underpin our approach to teaching and learning and form a key component of 'The Victory Way'. We cultivate curiosity and a passion for learning, encouraging students to explore and engage with the world around them. Our goal is to inspire students to reach their fullest potential and develop a lifelong love of learning.

We believe that the development of strong literacy and numeracy skills are essential. We set high expectations for our learners and provide targeted programs with clear student learning goals that are achievable but also challenging. This coupled with ongoing and relevant feedback aims to improve student achievement.

Through embracing innovation and our commitment to professional learning, the curriculum at Victory is progressive and engaging.

Excellence in Learning

- VCE and VCE VM Pathways
- Stephanie Alexander Kitchen Garden Program
- Languages - Auslan and Indonesian
- The Rite Journey in Year 9

"When teaching and learning are visible there is a greater likelihood of students reaching higher levels of achievement."

PROFESSOR JOHN HATTIE

Wellbeing is not a program but an attitude and approach which permeates everything we do. We cultivate a College culture that respects everyone as an individual and values positive relationships.

The Victory difference is our caring community. It is visible in the classroom, playground, Connect groups and on the sporting field.

The development of meaningful relationships is central to the educational and wellbeing focus at Victory. Students who have quality relationships with each other, their teachers and the wider College community give themselves the greatest opportunity to flourish.

Our Wellbeing Framework is built on a foundation of quality teaching and learning guided by best practice wellbeing principles. The high level of Pastoral Care offered to students, along with the Wellbeing Framework, are pivotal in promoting a positive and caring educational culture. By integrating these approaches into everyday learning, students feel safe and connected, allowing them to foster resilience, personal growth and a strong sense of community.

Promoting Wellbeing

- Berry Street Educational Model
- Nurturing classroom environment
- Connect structure in Secondary
- Restorative Practices
- Social and Emotional Learning (SEL) Curriculum

"A grateful heart is a beginning of greatness. It is an expression of humility. It is a foundation for the development of such virtues as prayer, faith, courage, contentment, happiness, love and wellbeing."

JAMES E. FAUST

In our Primary and Secondary Schools, students have opportunities throughout the year for leadership, participation and voice.

Our aim is to equip students with skills and confidence to prepare them for life. We encourage a growth mindset to challenge our students to think creatively, work collaboratively and be curious problem solvers.

We emphasise qualities of respect, empathy and service to create a supportive and inclusive community that values and uplifts every individual. All students are encouraged to develop leadership skills throughout their time at Victory. We encourage students to take advantage of formal and informal opportunities which will allow them to participate, lead and learn.

Our students are building the skills and understanding to support them as active, capable and mindful global citizens in the world.

Encouraging Growth and Leadership

- Foundation matched with Year 5 Buddy and Year 12 Super Buddy
- Student Leadership roles in Primary and Secondary
- Student Representative Council (SRC)

"If your actions inspire others to dream more, learn more, do more, and become more, you are a leader."

JOHN QUINCY ADAMS

Victory Lutheran College is a Christ-centred learning community. We strive to make the Gospel a 'lived experience' for each member of the Victory community to support understanding, acceptance and personal growth.

As a school of the Lutheran Church of Australia, Victory shares the mission of all Lutheran schools and aims to encourage and support students. They are informed and sustained by the Word of God, to develop their God-given talents so that they may shape and enrich their world.

Pastoral Care is integral to the daily life of Victory Lutheran College. It is focused on the spiritual, physical, social, intellectual and emotional health and wellbeing of all persons in the College.

Our framework of Christian values permeate throughout College life helping us grow as a caring community. The pillars of Lutheran Education Australia are love, justice, compassion, forgiveness, service, humility, courage, hope and gratitude.

Strengthening our Gifts & Faith

- Supporting each students' faith journey
- Faith in Action Service Learning activities
- Weekly Primary and Secondary Chapels
- Special themed whole College Chapels throughout the year
- Christian Studies curriculum catering for diverse learning needs and faith backgrounds

"I can do all things through Him who strengthens me."

PHILIPPIANS 4:13

Our rich learning environment with dedicated specialist classes and teachers are crucial to the academic success of our students.

Victory offers first-class, modern facilities with purpose built learning spaces designed to support specialist subjects. These facilities include a state of the art Music Centre, an indoor sporting stadium, Art and Drama studios, Science Laboratories, Hospitality facilities and a Technical Trade Centre. The Argus Learning Centre provides senior students with a contemporary, tertiary style learning environment.

To accommodate the College's ongoing growth, new learning spaces are currently under construction. The continuous improvement of facilities has included new buildings, renovations and the redesign of original classrooms - each tailored to support diverse learning styles and educational approaches.

Expert specialist teachers build a culture of innovation, equipping students with the skills and knowledge needed to explore their interests and confidently pursue their chosen career pathways.

Enriching our Learning spaces

- Modern facilities catering to different learning styles
- Multi-purpose indoor hall
- Specialist learning spaces
- Technical Trade Centres
- Excellent sporting facilities to accommodate a wide range of sports

"Develop a passion for learning. If you do, you will never cease to grow."

ANTHONY J D'ANGELO

Looking beyond the classroom, inspiring students to see themselves as active citizens within a local and wider community.

At Victory, we believe that the foundation of socially-responsible and active citizenship requires the development of the whole child. Encouraging students to be involved in a range of programs and opportunities beyond the classroom can further their learning and social/emotional skills development in a non-school setting.

A range of learning opportunities through our Camp programs, excursions, extensive team sports and Performing Arts all create opportunities for teamwork and friendship.

We value a dynamic, connected community and focus on building positive partnerships between students, staff and families. This partnership extends in the wider community with the Wodonga Lutheran Parish, Parents & Friends (P&F) and Victory Old Collegians' Association (VOCA).

Building our Community

"We can change the world and make it a better place. It is in your hands to make a difference."

NELSON MANDELA

- Service Learning opportunities (ALWS Week, School's Tree Day, Rite Journey Service Week)
- Camp and Excursion Program for all year levels
- P&F, Parish and VOCA community connections
- Sister School in Indonesia

Next Steps

Thank you for your interest in Victory Lutheran College.

The main enrolment entry points into the College are traditionally Foundation, Year 7 and Year 11. However, applications for enrolment may be made for entry into other year levels and will be subject to availability of a place.

Families interested in submitting an Application for Enrolment are encouraged to visit the College website to fully understand the vision, mission and values that will frame a student's education at Victory Lutheran College.

EXPLORE OUR WEBSITE
