Principal Summary Report 2022

“Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.” James 1:17

It is with great gratitude that I am able to say that 2022 has been a year of growth, development, and success for our College community.

This year, we have seen the completion of the first stage of our M Block conversion, which has provided us with four new and modern Secondary classrooms, a locker room, gym, and over 100 meters of covered walkways. This has allowed our students a more spacious and comfortable space to learn and grow. We have also seen the completion of our Junior Adventure Playground, which has been a wonderful addition to our campus and has provided our Primary students with a fun and engaging space to play.

In addition to the building upgrades, we have also introduced new subjects throughout both Primary and Secondary. Drama was offered at the College for the first time, and Spanish was introduced in Junior Secondary. Prime, with a focus on intervention and extension, and Access, a focus on extracurricular, began in Term 3 with great results. These new subjects have provided our students with a wider range of opportunities to explore and develop their interests and skills.

This year, we celebrated 15 years of operation at Warwick Christian College, and it was an honour to commemorate this milestone with our College community. The anniversary celebration was a great success, and it was wonderful to see so many past and present staff and parents come together to celebrate. A mural was commissioned for the occasion, which tells the story of how students come to the College to grow and prepare for a purposeful life.

As we look back on the year that was, it is clear to see how God has had His hand in the life of the College. We have faced obstacles and challenges, but through it all, we have been blessed. I am grateful for the hard work and dedication of our staff, the commitment of our students, and the support of our parents and wider community.

As we move into the future, I am excited to see what God has in store for our College community. I pray that we will continue to grow and develop, and that we will always remember that every good and perfect gift is from above.

Thank you for your support throughout the year, and may God bless you and your families.

God bless,

About the College

Warwick Christian College is a Prep to Year 12 Independent Christian school with the additional educational facility of the Southern Downs Flexible Learning Hub. Our students are known by name, valued and inspired, and challenged to succeed. We are a modern school with Christian values, and we provide an affordable education for young people who desire to lay the foundations for successful lives. Whether in the classroom, on stage or the sports field, our students grow in whatever they put their hand to. The Warwick Christian College holistic approach, matched with our classroom sizes, ensures that every student is cared for. We are a Christian Community Ministry (CCM) School and benefit from working closely with our many sister schools across Australia.

Parent, Teacher and Student Satisfaction with the School

We are wholeheartedly committed to the ongoing improvement of our programs and services, all for the benefit of our students and young people. We value opportunities to connect with our students and community members, as we believe that building a deeper understanding of our College and its mission is crucial to our success. We are thrilled about the possibilities for growth and advancement at the College, and are eager to share our plans with our families. To this end, we regularly organise occasions for meaningful dialogue and information exchange among all parties involved.

- Preptastic: Prep Discovery Day
- Year 7 Experience Day and Parent Information sessions
- Parent/Teacher Interviews
- Orientation Day
- Careers & Subject Selection evenings

Sample of feedback received in 2022:

(names and some details removed for privacy)

"Small school environment, my child and family are known and genuinely cared for in a thoughtful manner."

"Invested staff who really want the best outcome for each individual child."

"I very much value the time and care that is observably put into not just the students' education but their experience at school, the college grounds and the experience I have as a parent."

"That my child is not just a number"

"Kids learning more about God during devotion, assembly and chapel. The college go hand and hand with us with the kids learning and sowing Christian values in them as well."

"My family have been at the school a long time and the school has seen many of my children through to graduation, this year will see another. It has been wonderful watching the school morph and grow to where it is now..."

"Christian staff and teachers openly talking about God and encouraging my children in their personal relationships with God. Just in the 'normal' day to day things. There seems to be quick responses to things that need to be addressed with behaviour, 'issues' and the like."

"It looks like the staff also like each other and enjoy being at work."

Staff Development

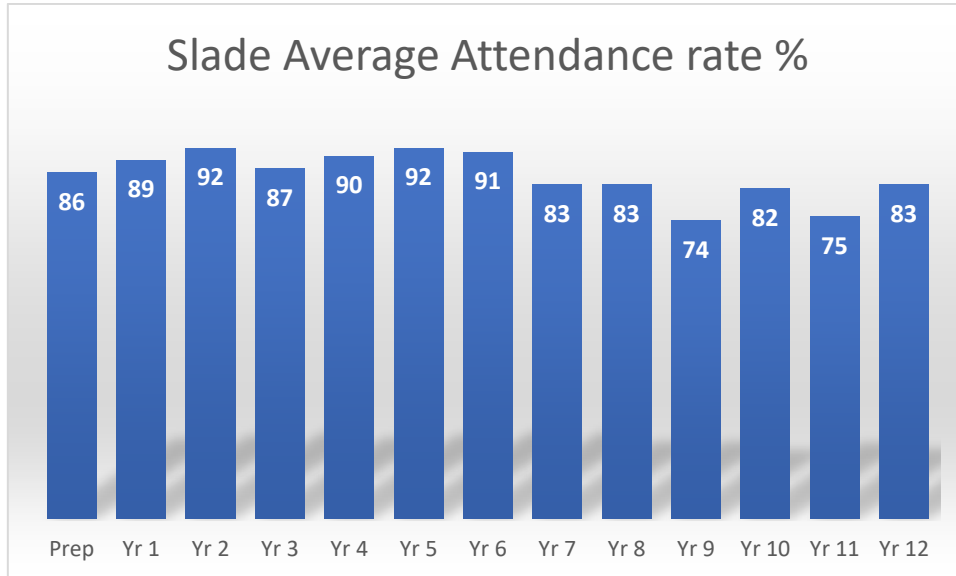

It is our expectation that every member of our staff demonstrates continuous improvement in their skills, gifts, and expertise, be it in administrative practices, bus driving skills, or teaching methodology. The leadership team at the school level sets collective learning goals, while each staff member has a personal responsibility to enhance their practice based on their individual needs and position.

To achieve this goal, our teachers participate in national and state conferences, become members of various professional organizations, and engage in research-based learning to continually evaluate and refine our best practices. By adopting a growth mindset, we ensure that our staff members are equipped with the knowledge and tools necessary to deliver quality education to our students.

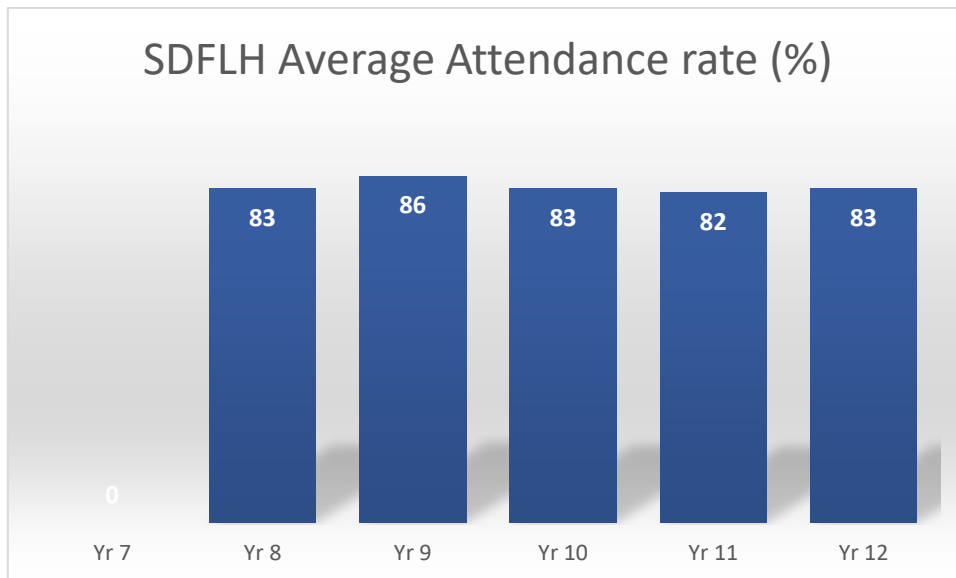

Key Student Outcomes

Average attendance rate (%) for each year level in 2022

The average attendance rate for the Slade Campus as a percentage in 2022 was 85.15%

The average attendance rate for the SDFLH as a percentage in 2022 was 83.4%

Non-attendance at WCC is monitored by our school management software program, Edumate. An SMS is sent to parents who have not notified the College of intended absence, to confirm the child's absence and parents are expected to respond with an explanation. Parents are encouraged to notify of absences, or confirm absences through the College reception. Our School leaders and chaplain are available to assist with school refusal and any underlying problems that may be hindering a student's desire to attend school regularly. More information about this data can be found at the www.myschool.edu.au website. Our College policy on Student Attendances and Absences can be found on the WCC website.

NAPLAN results for Years 3,5,7 and 9

Helping every student achieve his or her personal best is part of our mission at Warwick Christian College. To help students achieve we are committed to using a range of data collection tools to inform our teaching and learning. These tools include the use of standardised testing, such as the National Assessment Program.

The National Assessment Program – Literacy and Numeracy (NAPLAN) is conducted annually for Year 3, 5, 7 and 9 students. The data we receive from students participating in the program enables us to analyse individual progress and how particular groups of students are developing. This informs our teaching of individuals and allows us to evaluate our programs of study. We can then plan for and apply school resources to address learning needs.

At WCC we have developed a supportive approach to NAPLAN. We do not make it a high pressure event. We strongly encourage every Year 3, 5, 7 and 9 student to participate in the assessments each May.

Students achieve across the full range of scores. WCC is committed to lifting the literacy and numeracy performance of all students including those with English as additional language and those who have recognised learning needs.

Please refer to the MySchool website www.myschool.edu.au for NAPLAN results.
